

#14 Back from the future

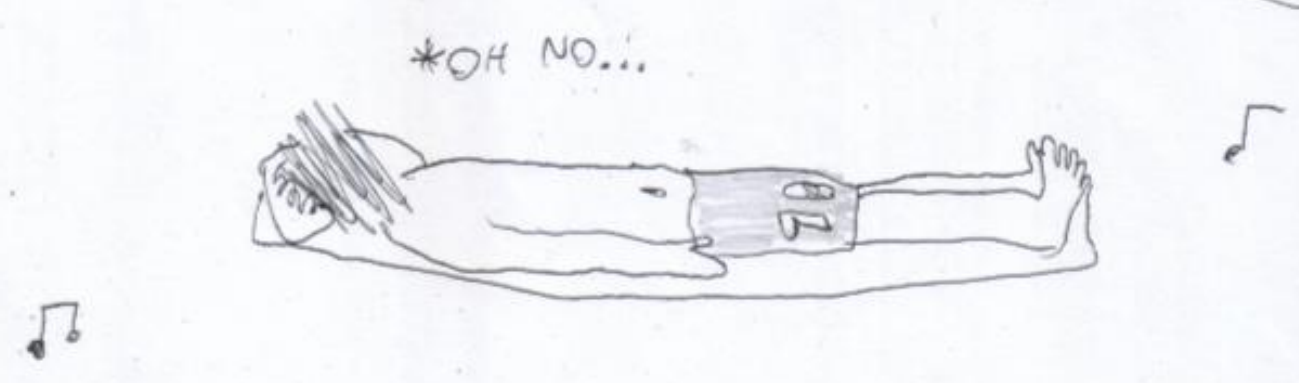

Race edition

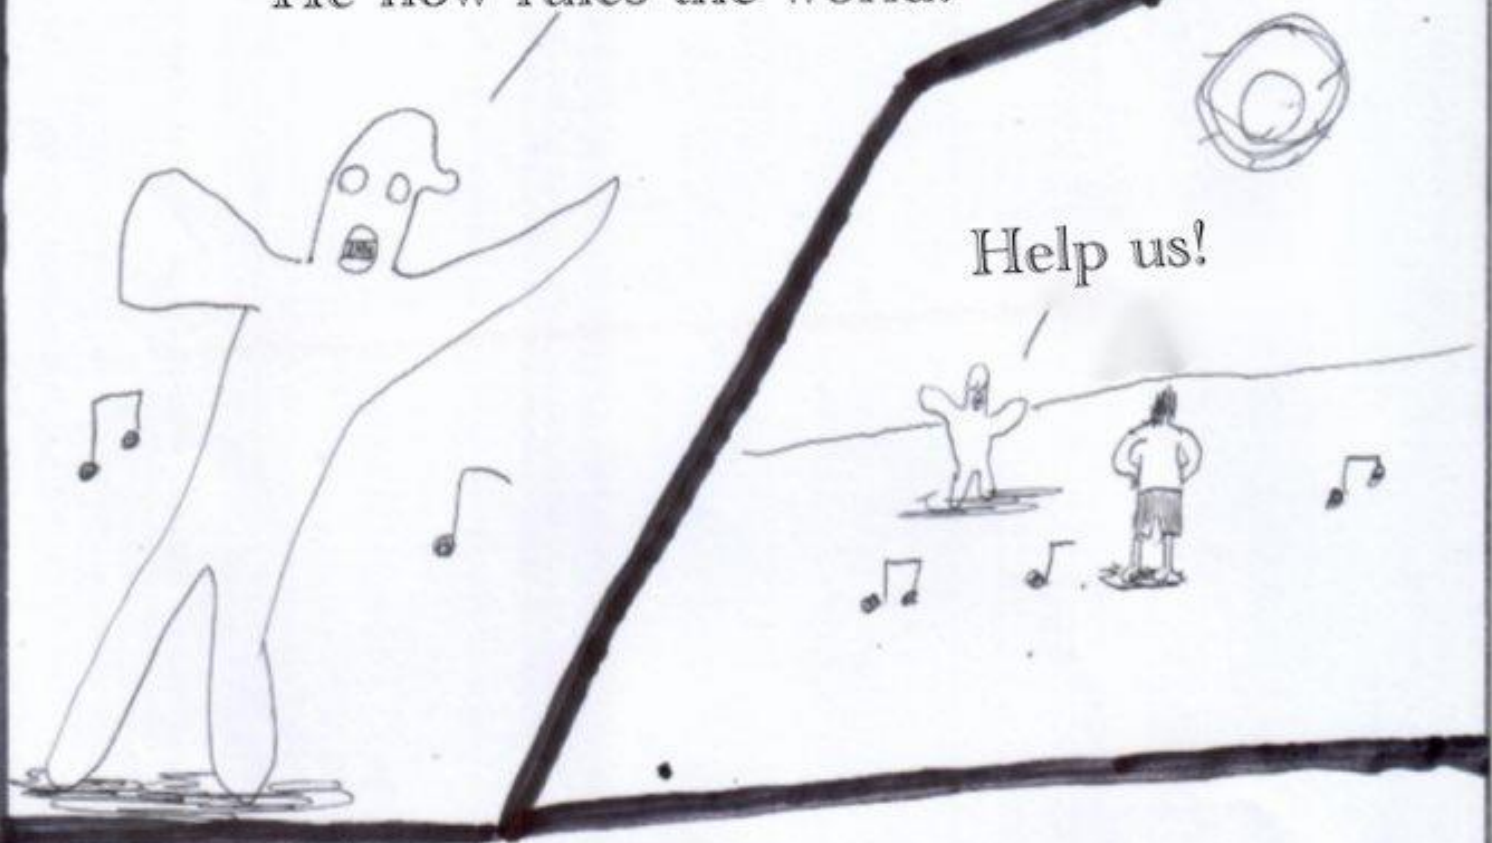

2022

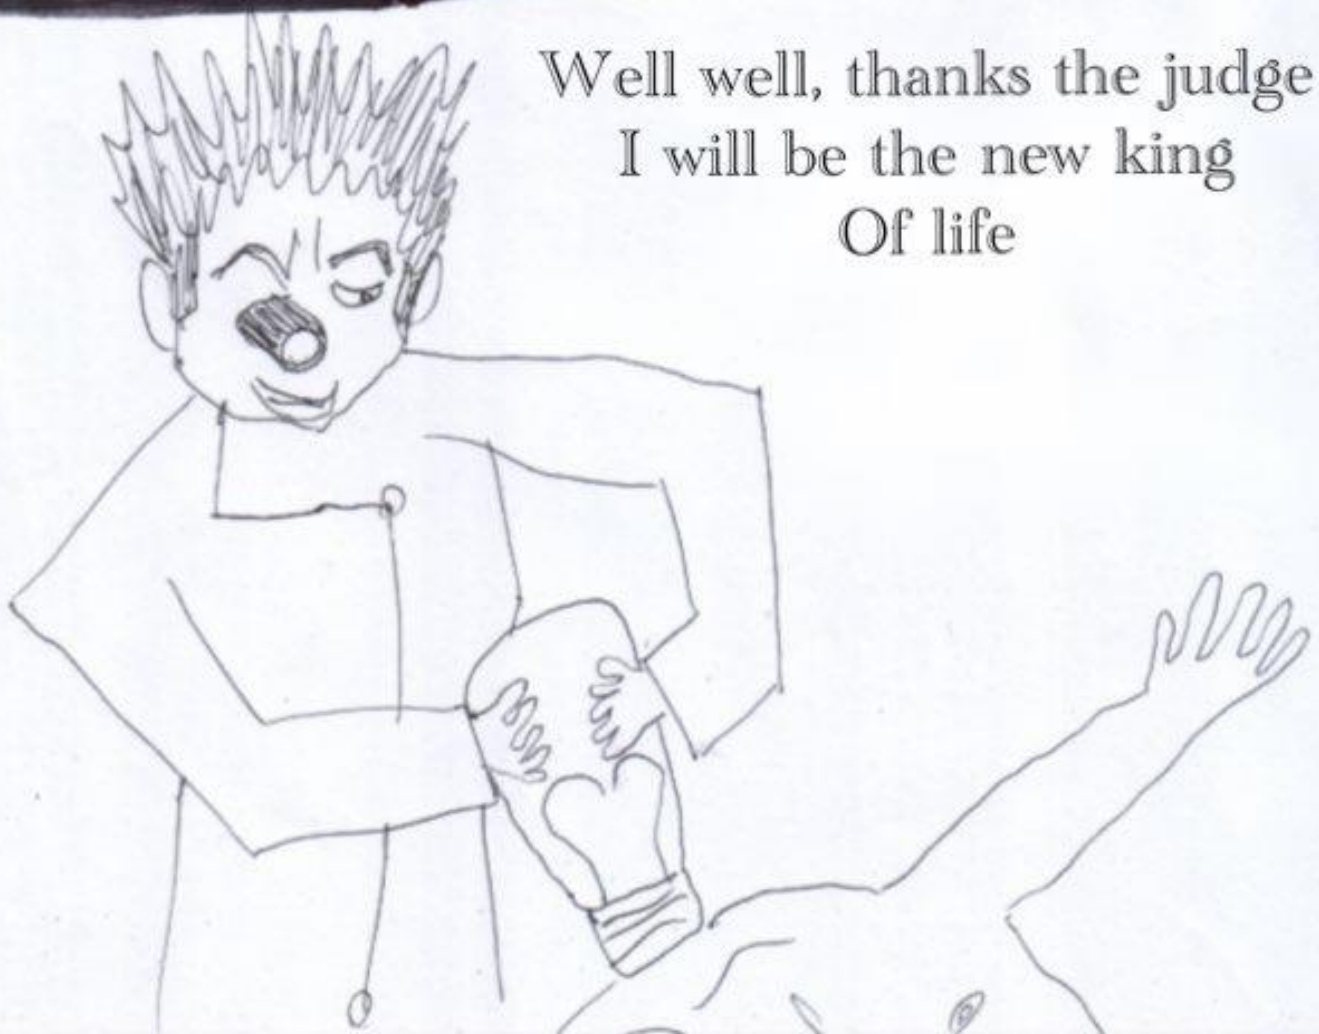

Doctor Byrn repaired the Judge and by
Goes back in time,
He now rules the world!

Well well, thanks the judge
I will be the new king
Of life

We can't stop him
Because he know us

Please! Do something!

Ok

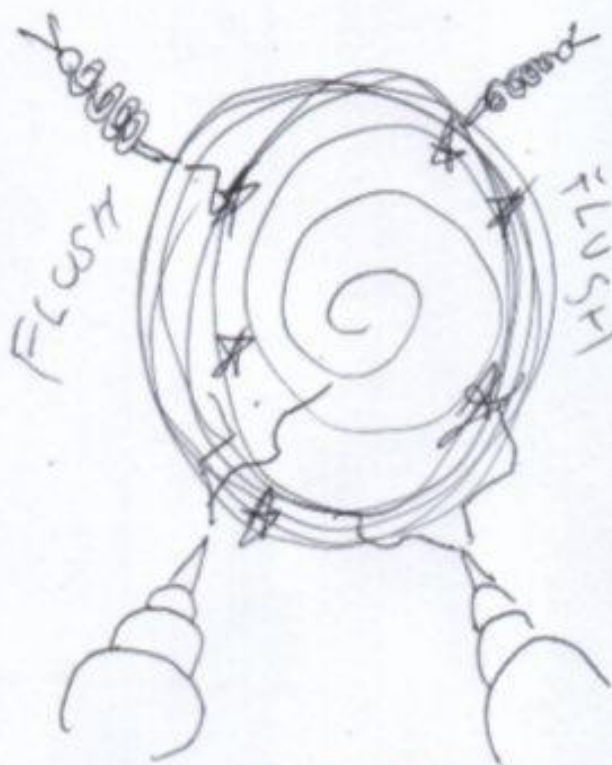

— This is the Time Machine

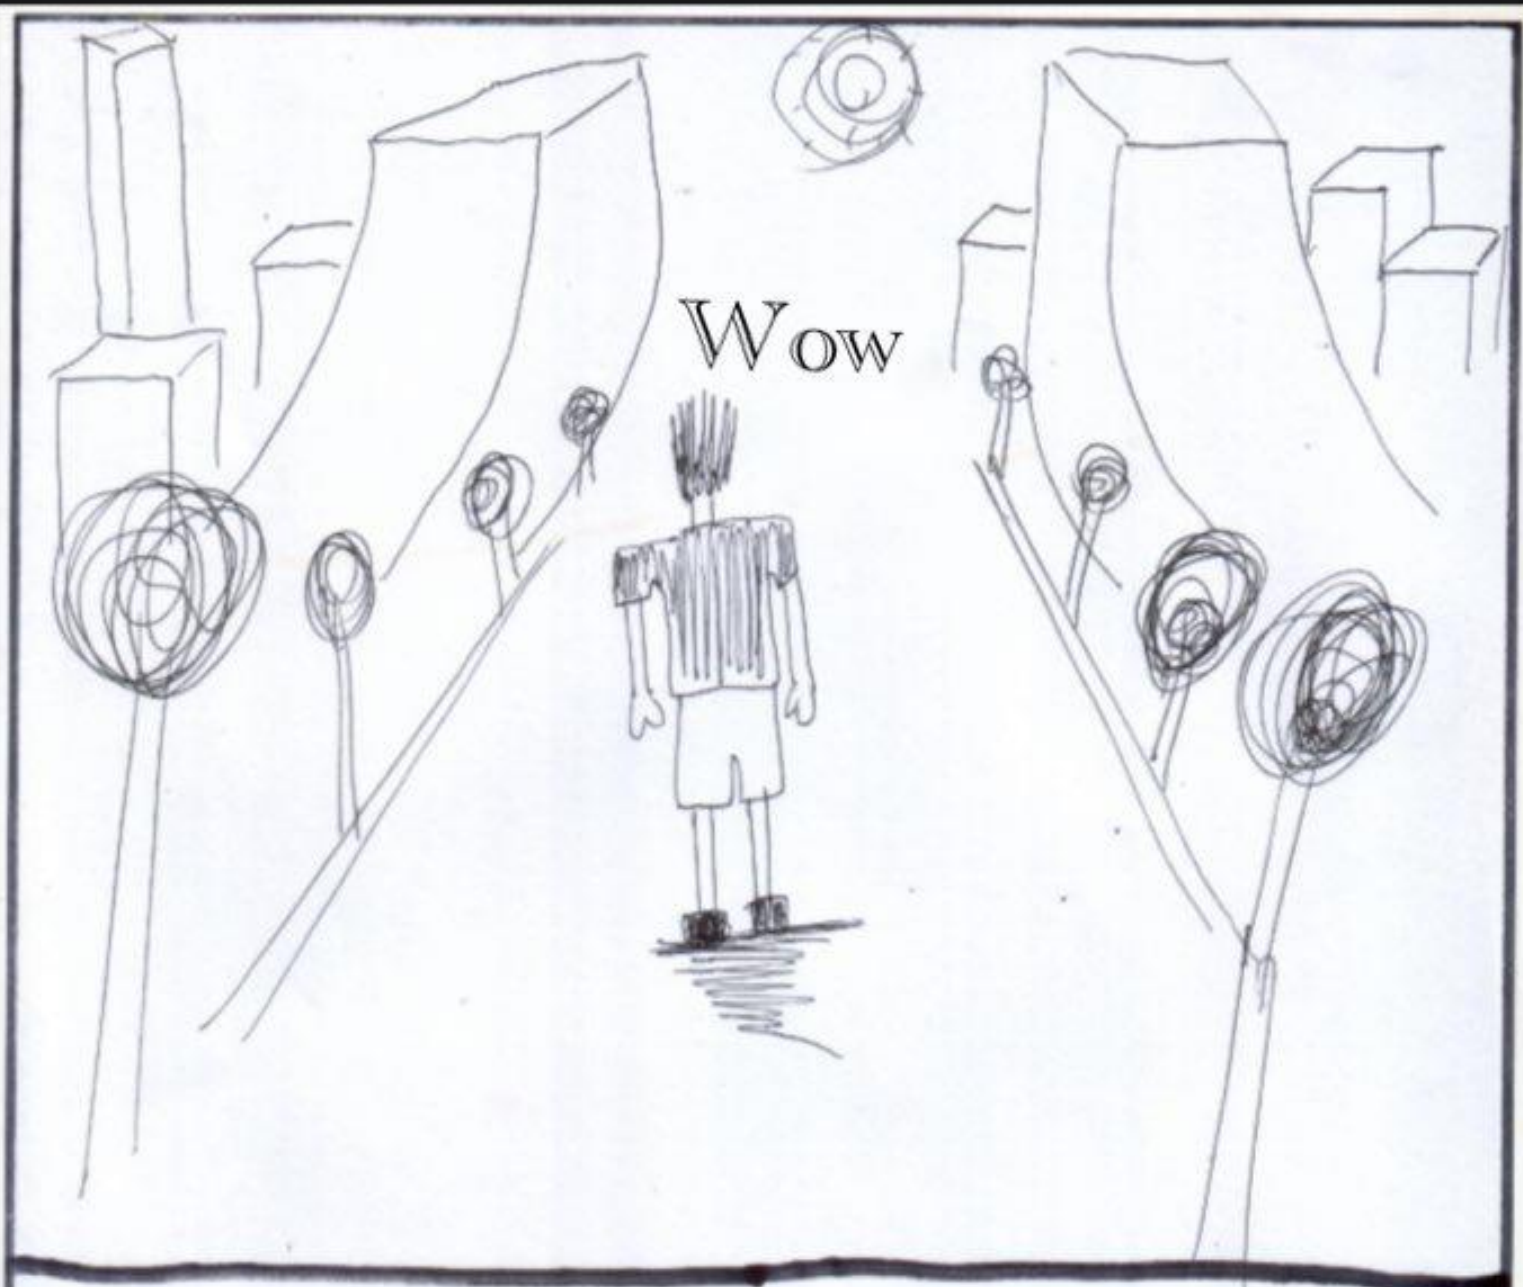

Now go!

Fine...

Everything looks better

Now, dear humans
The sun will be shut down

I must find him
Before the life will
Be at risk

T W A T Z

We can help you

-Thanks!

Stop you!

Peace

I don't care

The sun is overrated

You will destroy life

Stop you!!!

Never!

I will be the new
light of the humanity

I did nothing wrong!
I just wanted to end
the wars in the world

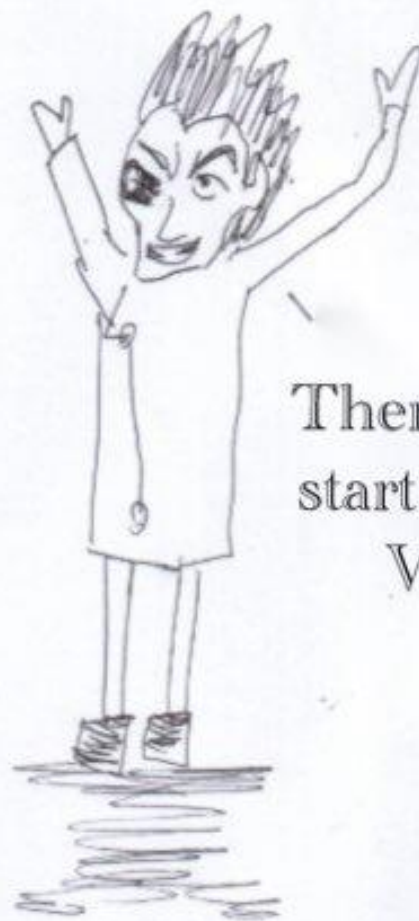

We don't need punishment or new
Lights to stop the wars in the world

We already end all the wars

No you will not

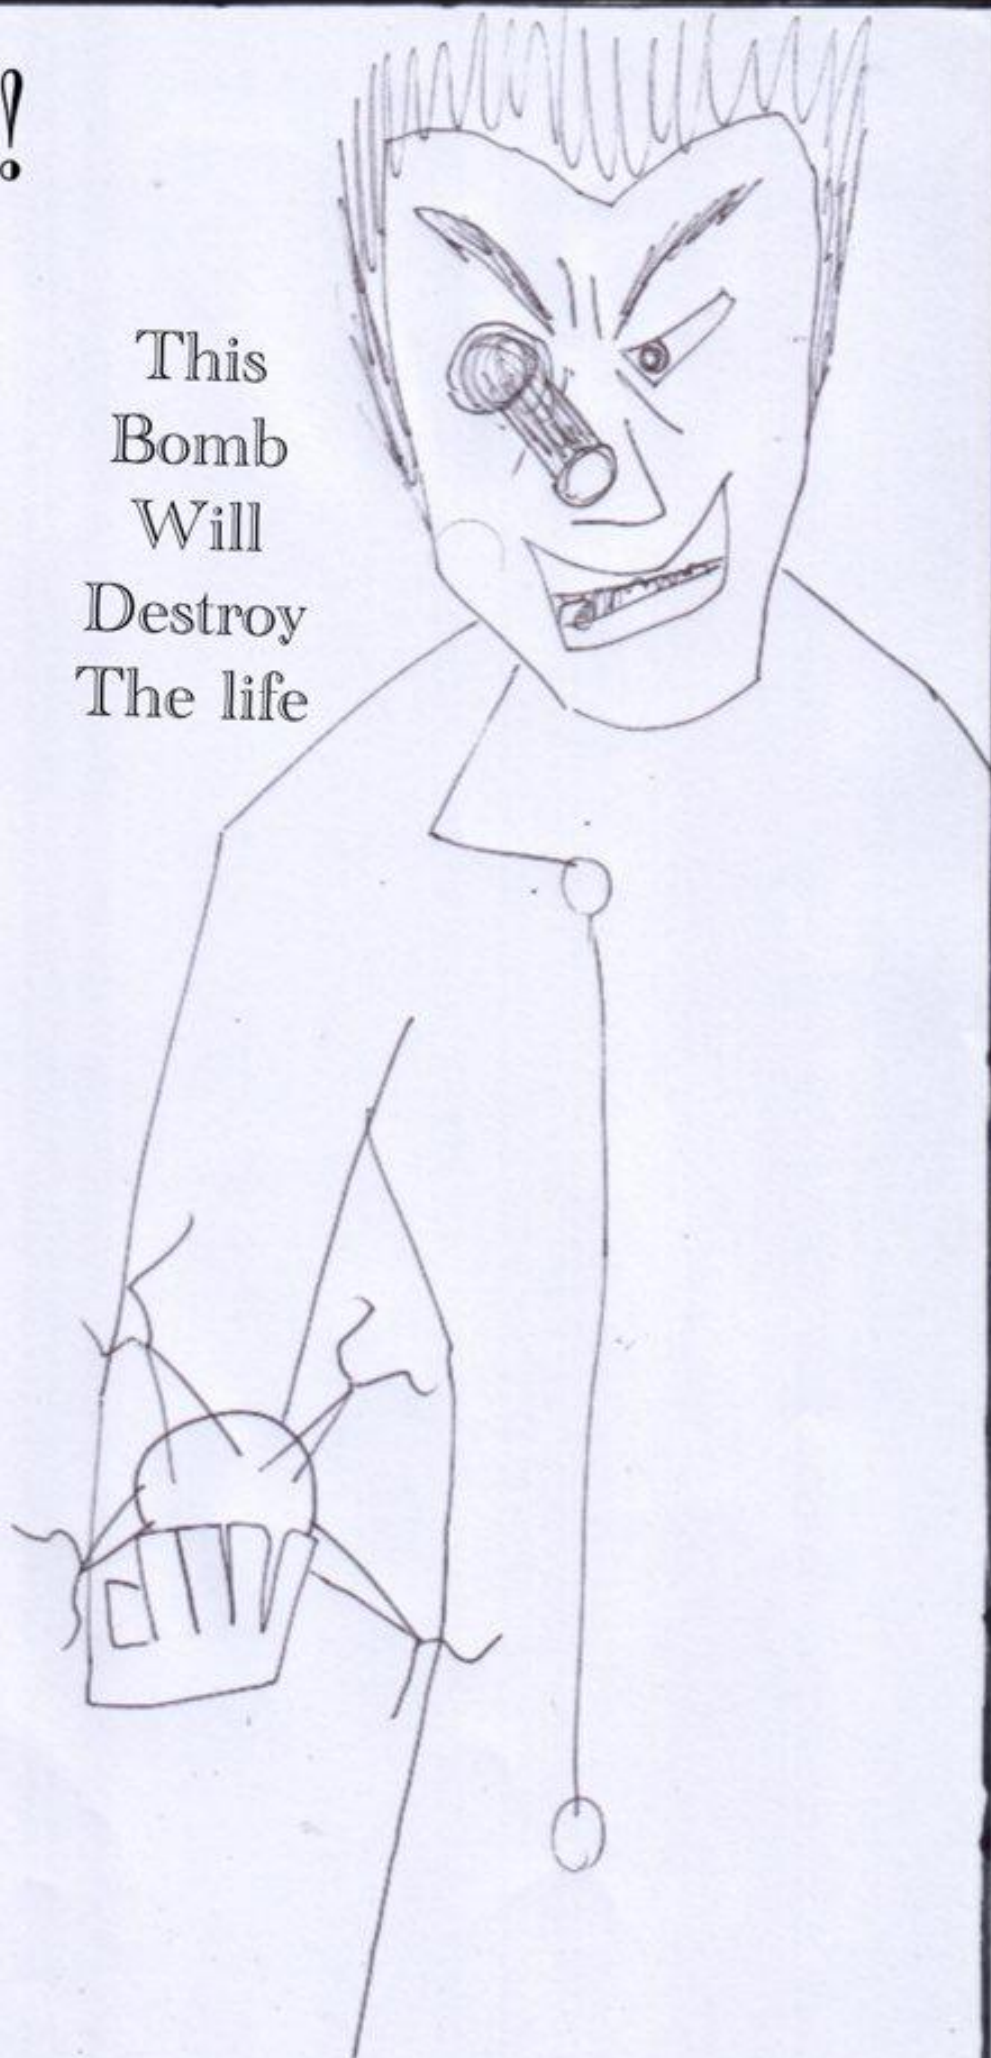

Then I will
start a new
War

No!

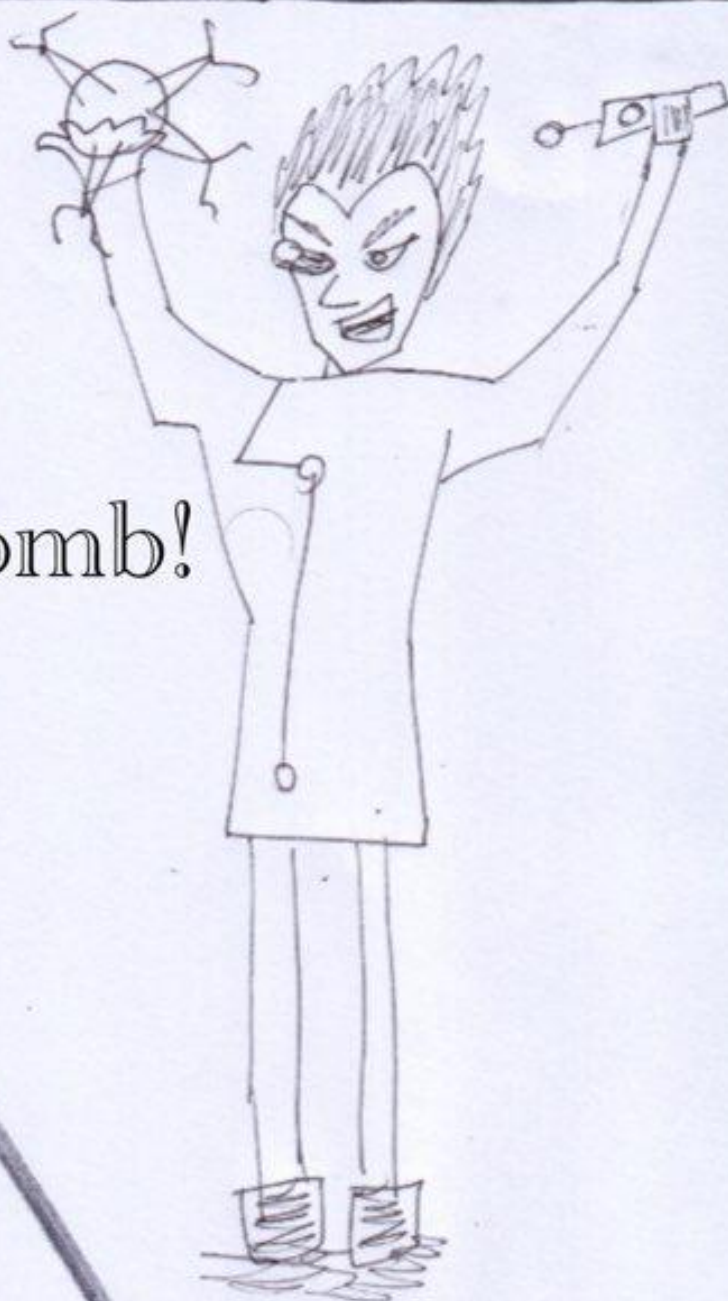

This
Bomb
Will
Destroy
The life

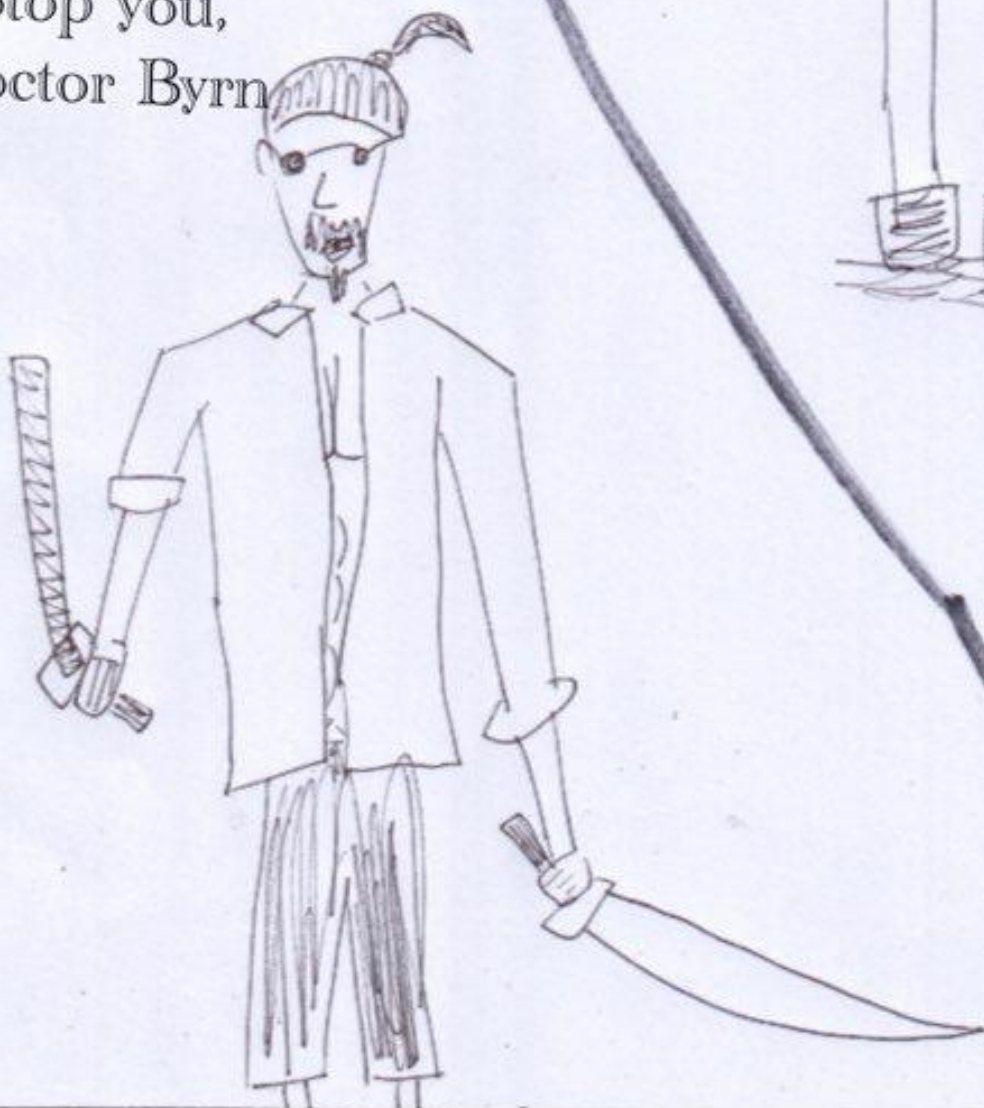

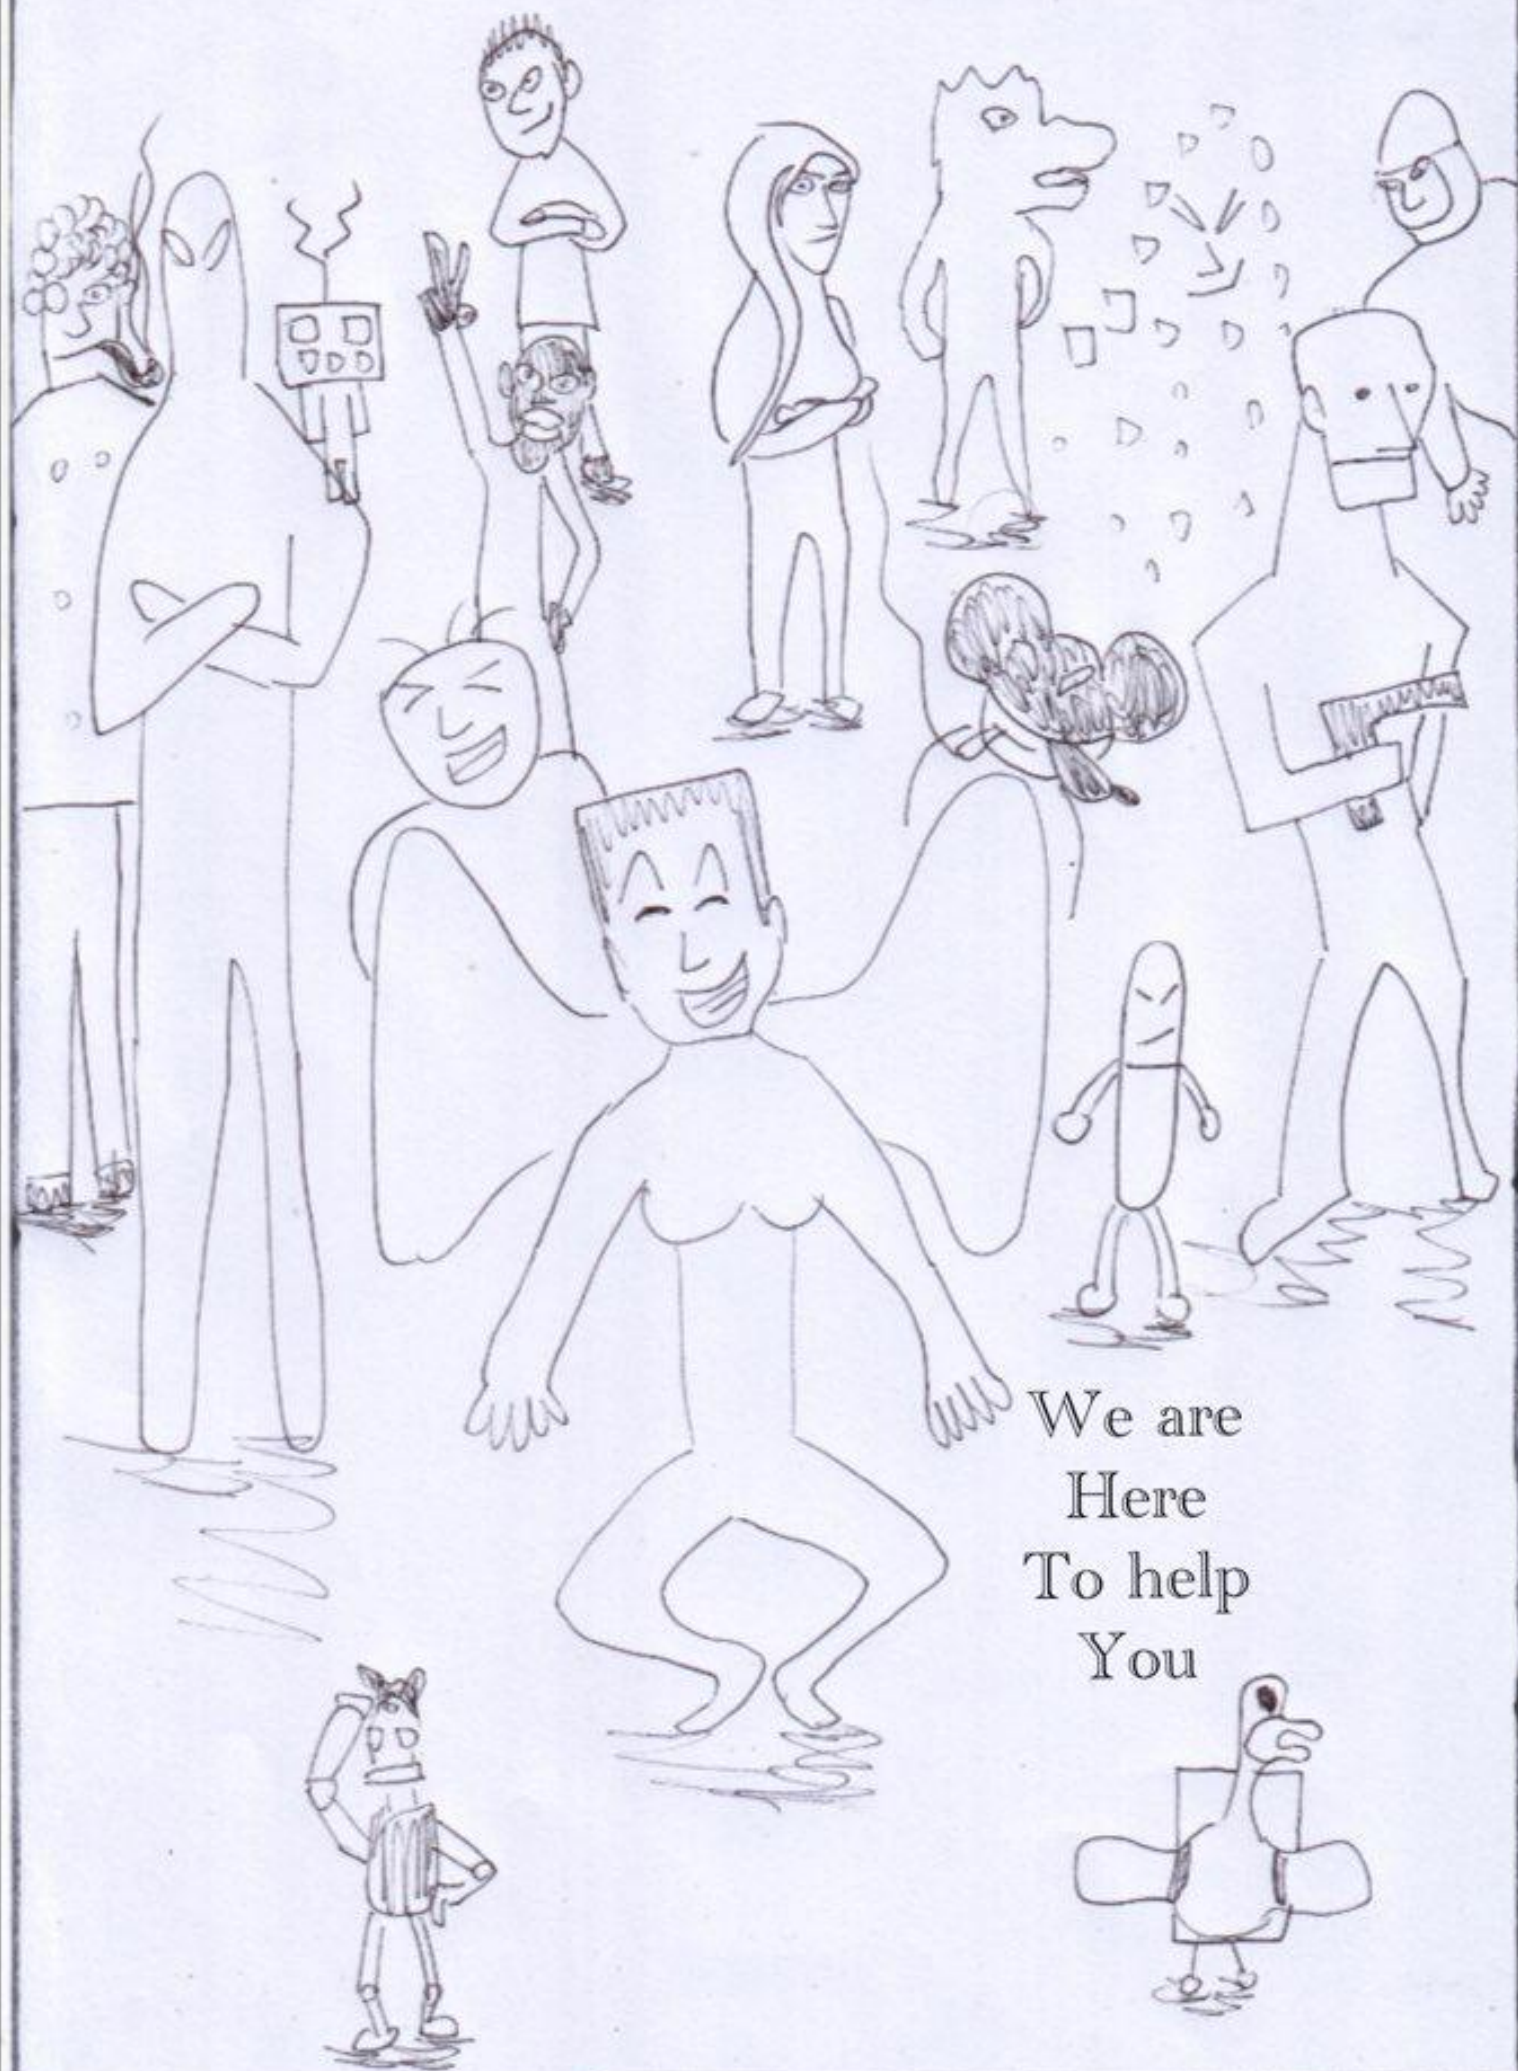

There
Is
Someone

Go bomb!

Stop you,
Doctor Byrn

We are
Here
To help
You

War is over!
It ended!
Do cool stuffs!

I can't live
Without
Wars

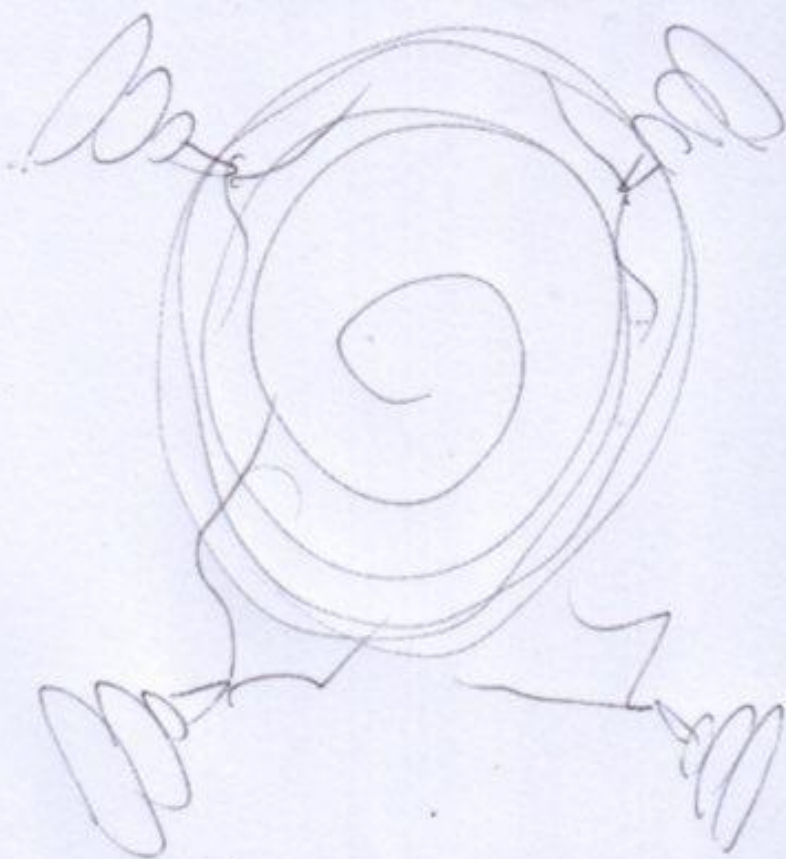

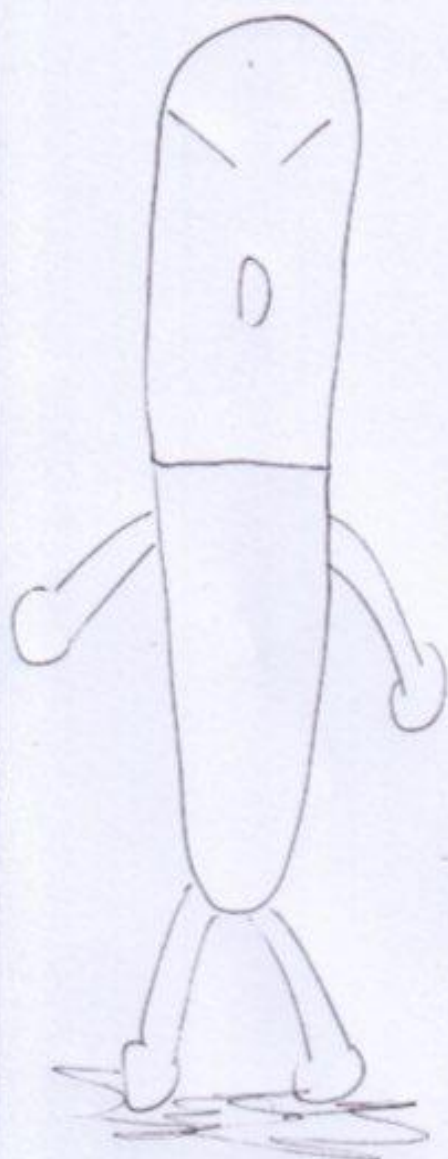

He really killed himself unless to do
Cool stuffs

What a evil doctor!

Go Salomé

The Time Machine is settled to your age

Back in your days there will be nothing of
this future

Everything will be ok

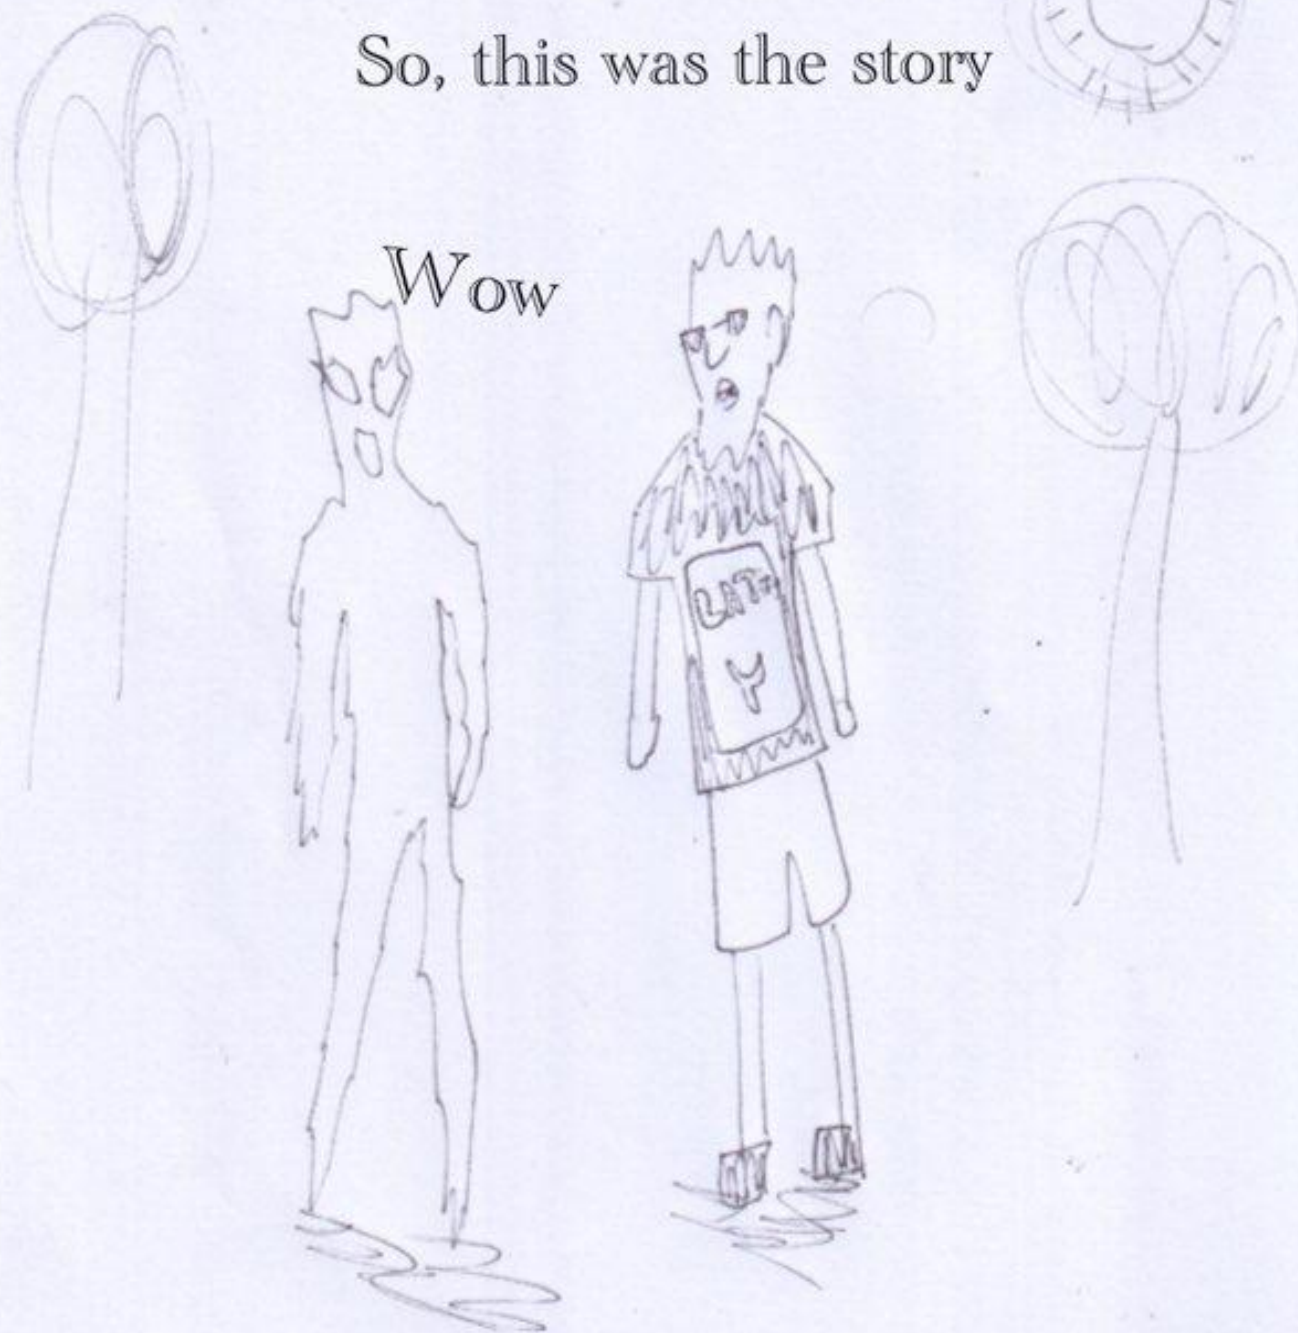

Thank you to help us again, Salomé
Because without you we should be known by
all humanity
And none would consider to take his own
risk and responsibilities

You are welcome

So, this was the story

Wow

But, maybe it is me, I didn't get the
responsibility discussion
