If you can't defeat him

You have to let him work
For you

Hi
Salomé

President, how can I help
You?

Let's meet
Together

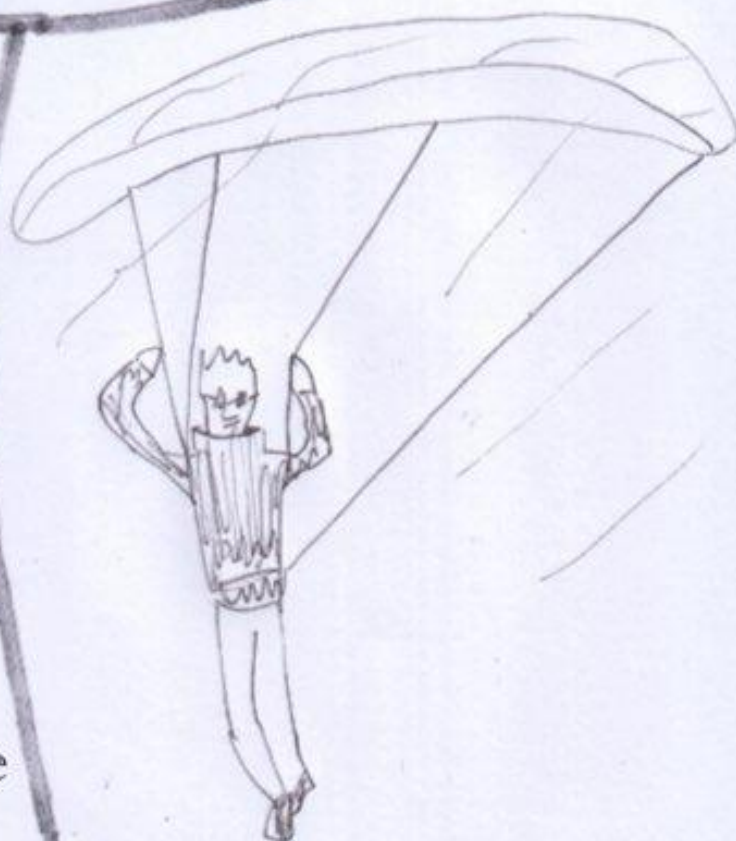

We have a work for you

You have to defeat Gulliver
For free the people

Go jump

He lives
In a castle

Salomé! I defeat your army!
Surrender to me!

I don't think so

RUN

?!

TG NEWS

Salomé defeated Gulliver
And free the people

Again the hero...

It is like a
Job right now

? Salomé!

Do you remember
of me?

The people aren't
Free

They are slaves of
The prince of Africa

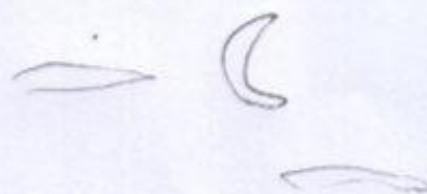

He is in business
With Misterpritz

This is a special operation

Let's go

Stop enslave people

Shut up!

Let's solve this
As people of honor

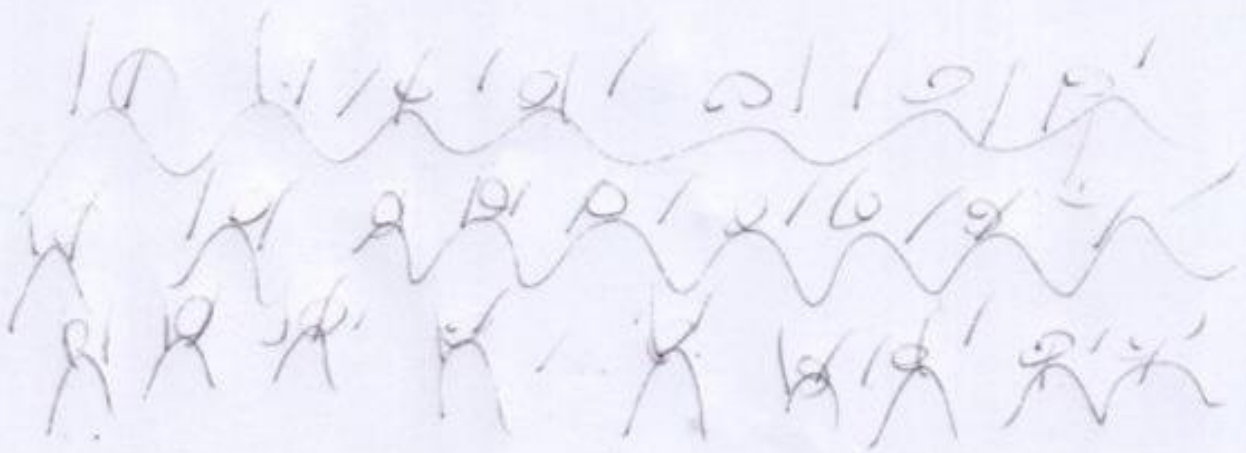

Alright!

I won

TG NEWS

Salomé free the people
From Prince of Africa

TG NEWS

President leaves the
government

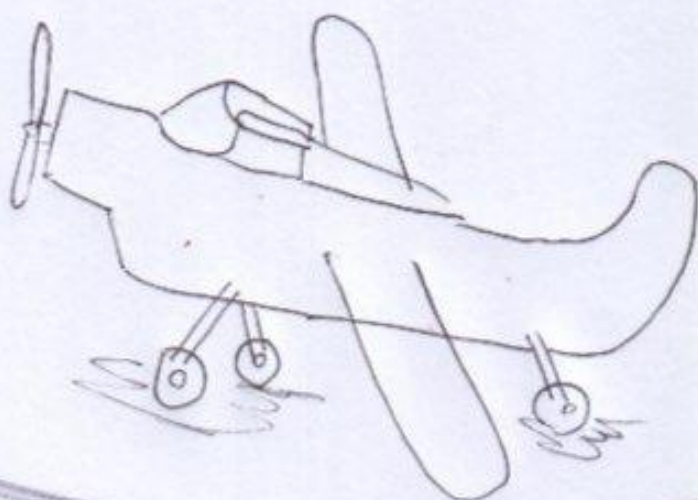

Will you be the
next president?

Yeah!
And I banned Salomé

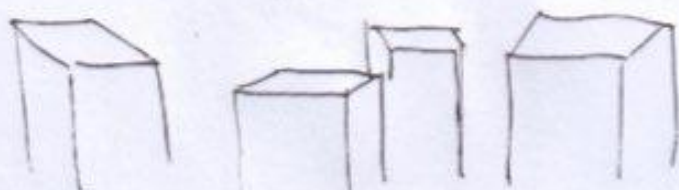

Again, I am
Banned

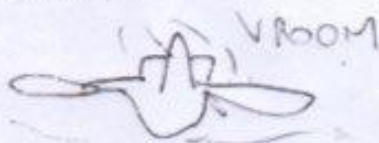

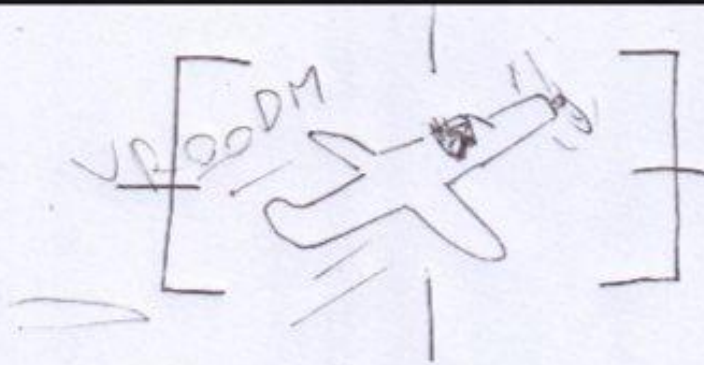

VROOM

This time I will
Not come back

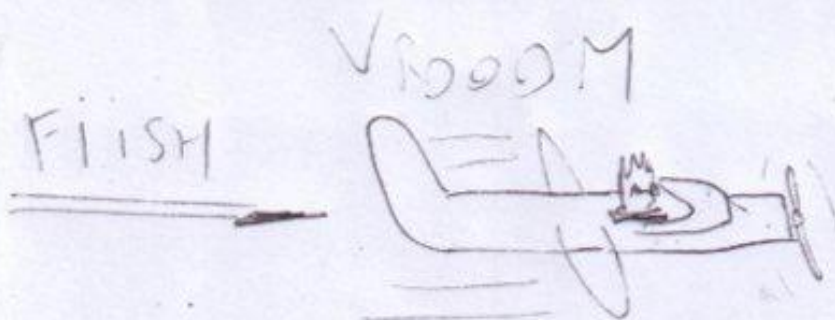

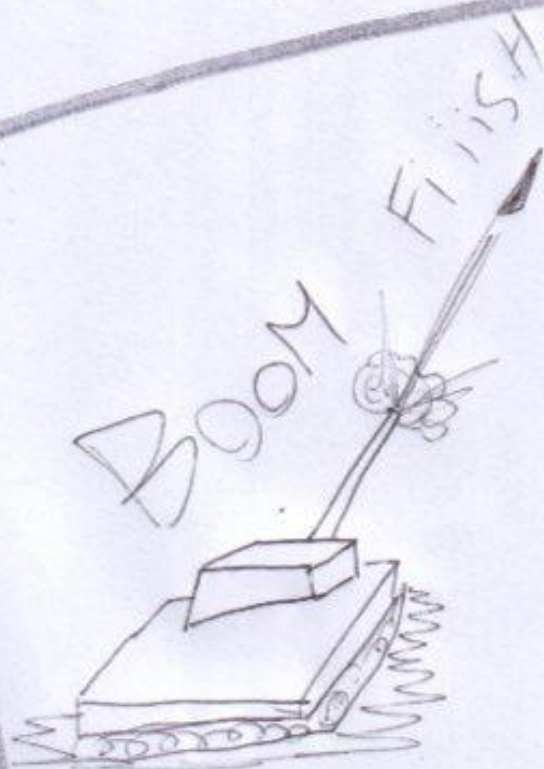

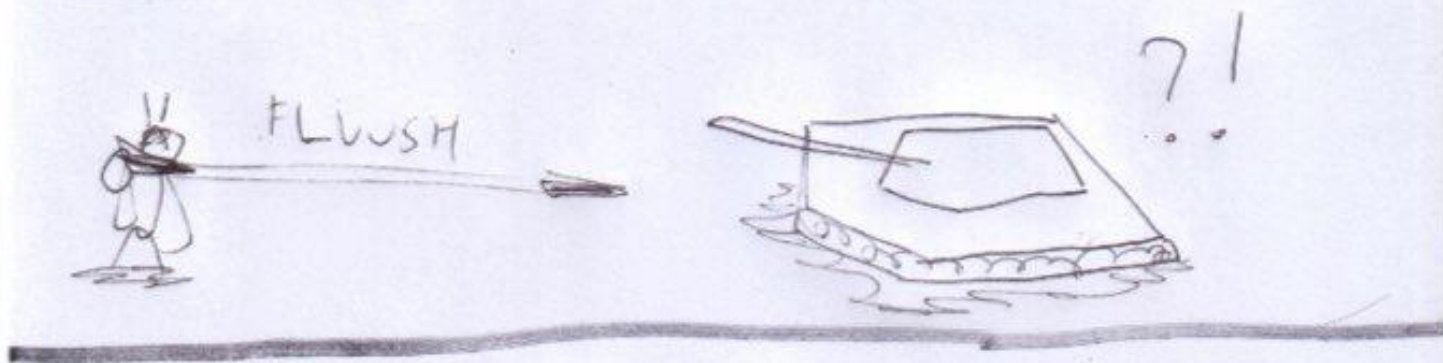

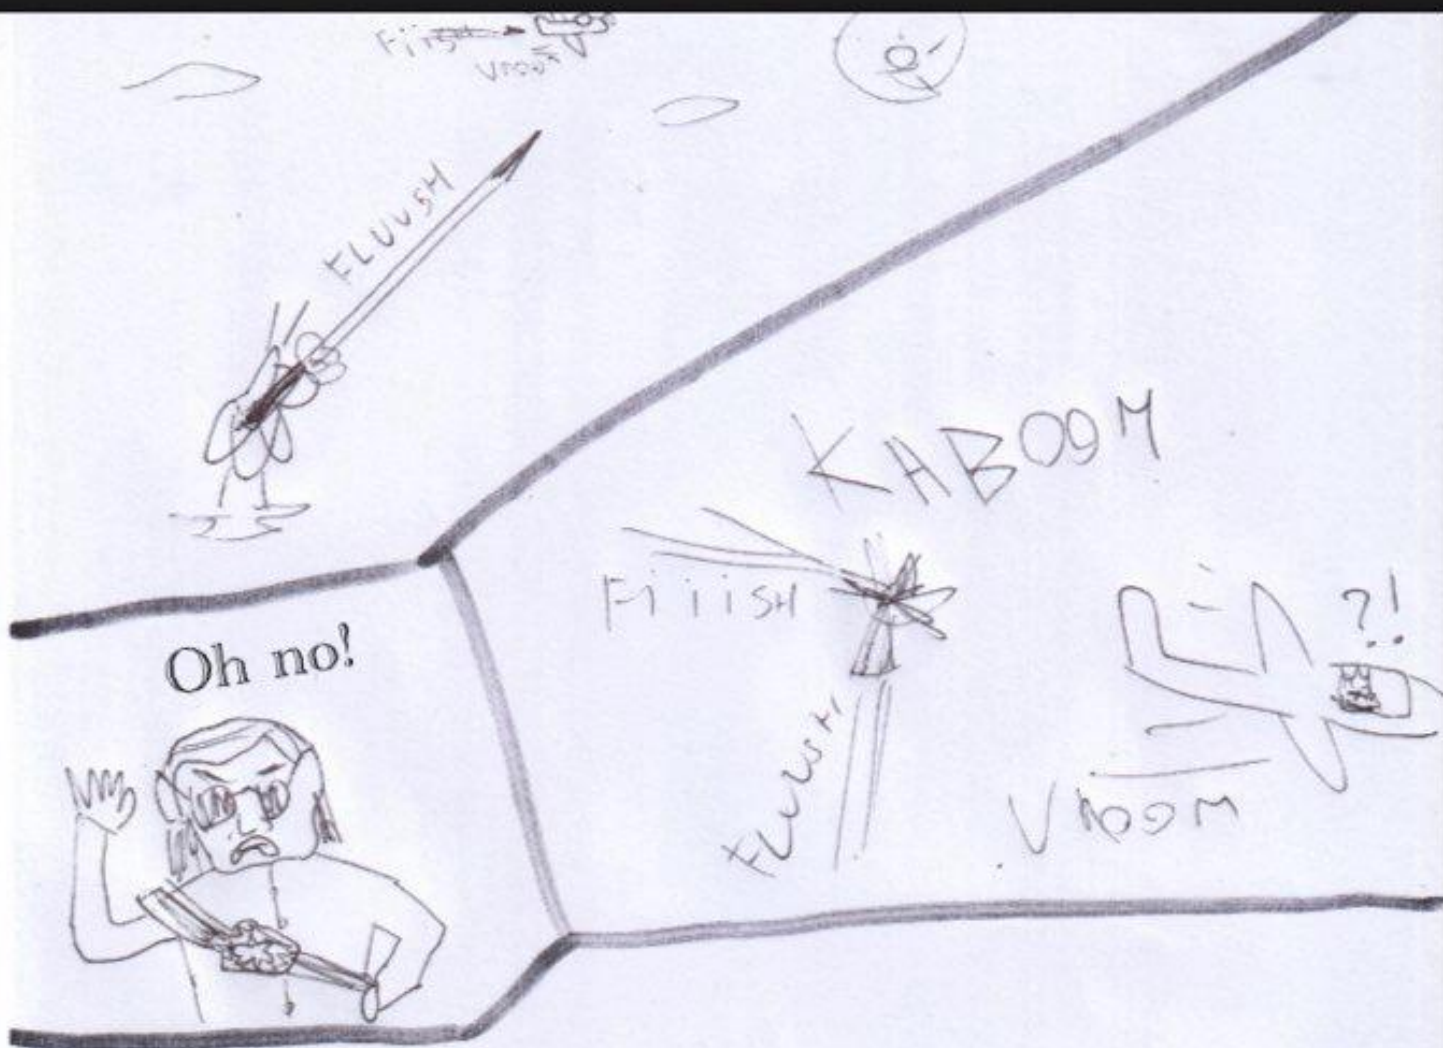

I am tired

Great!
Die Salomé!

I am out

Are you sure?

You have to weight
The good and bad aspects
Of life there

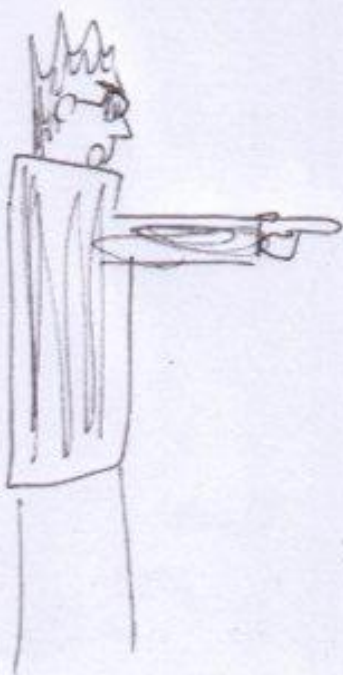

I should
Rewrite the constitution if so!

Leave the government

You would like eh...

I had debts
Of drugs with
Misterpritz

So leave
Or I kick
You

Ok!
Peace!

Misterpritz!

SLAM - SLAM

Wha is that?

Ihiih

TG NEWS

Salomé crated the
new constitution
Based on good sense

Maybe something
Likes the smell?

Good sense?
