Errors

Case: Salomé against Dagon

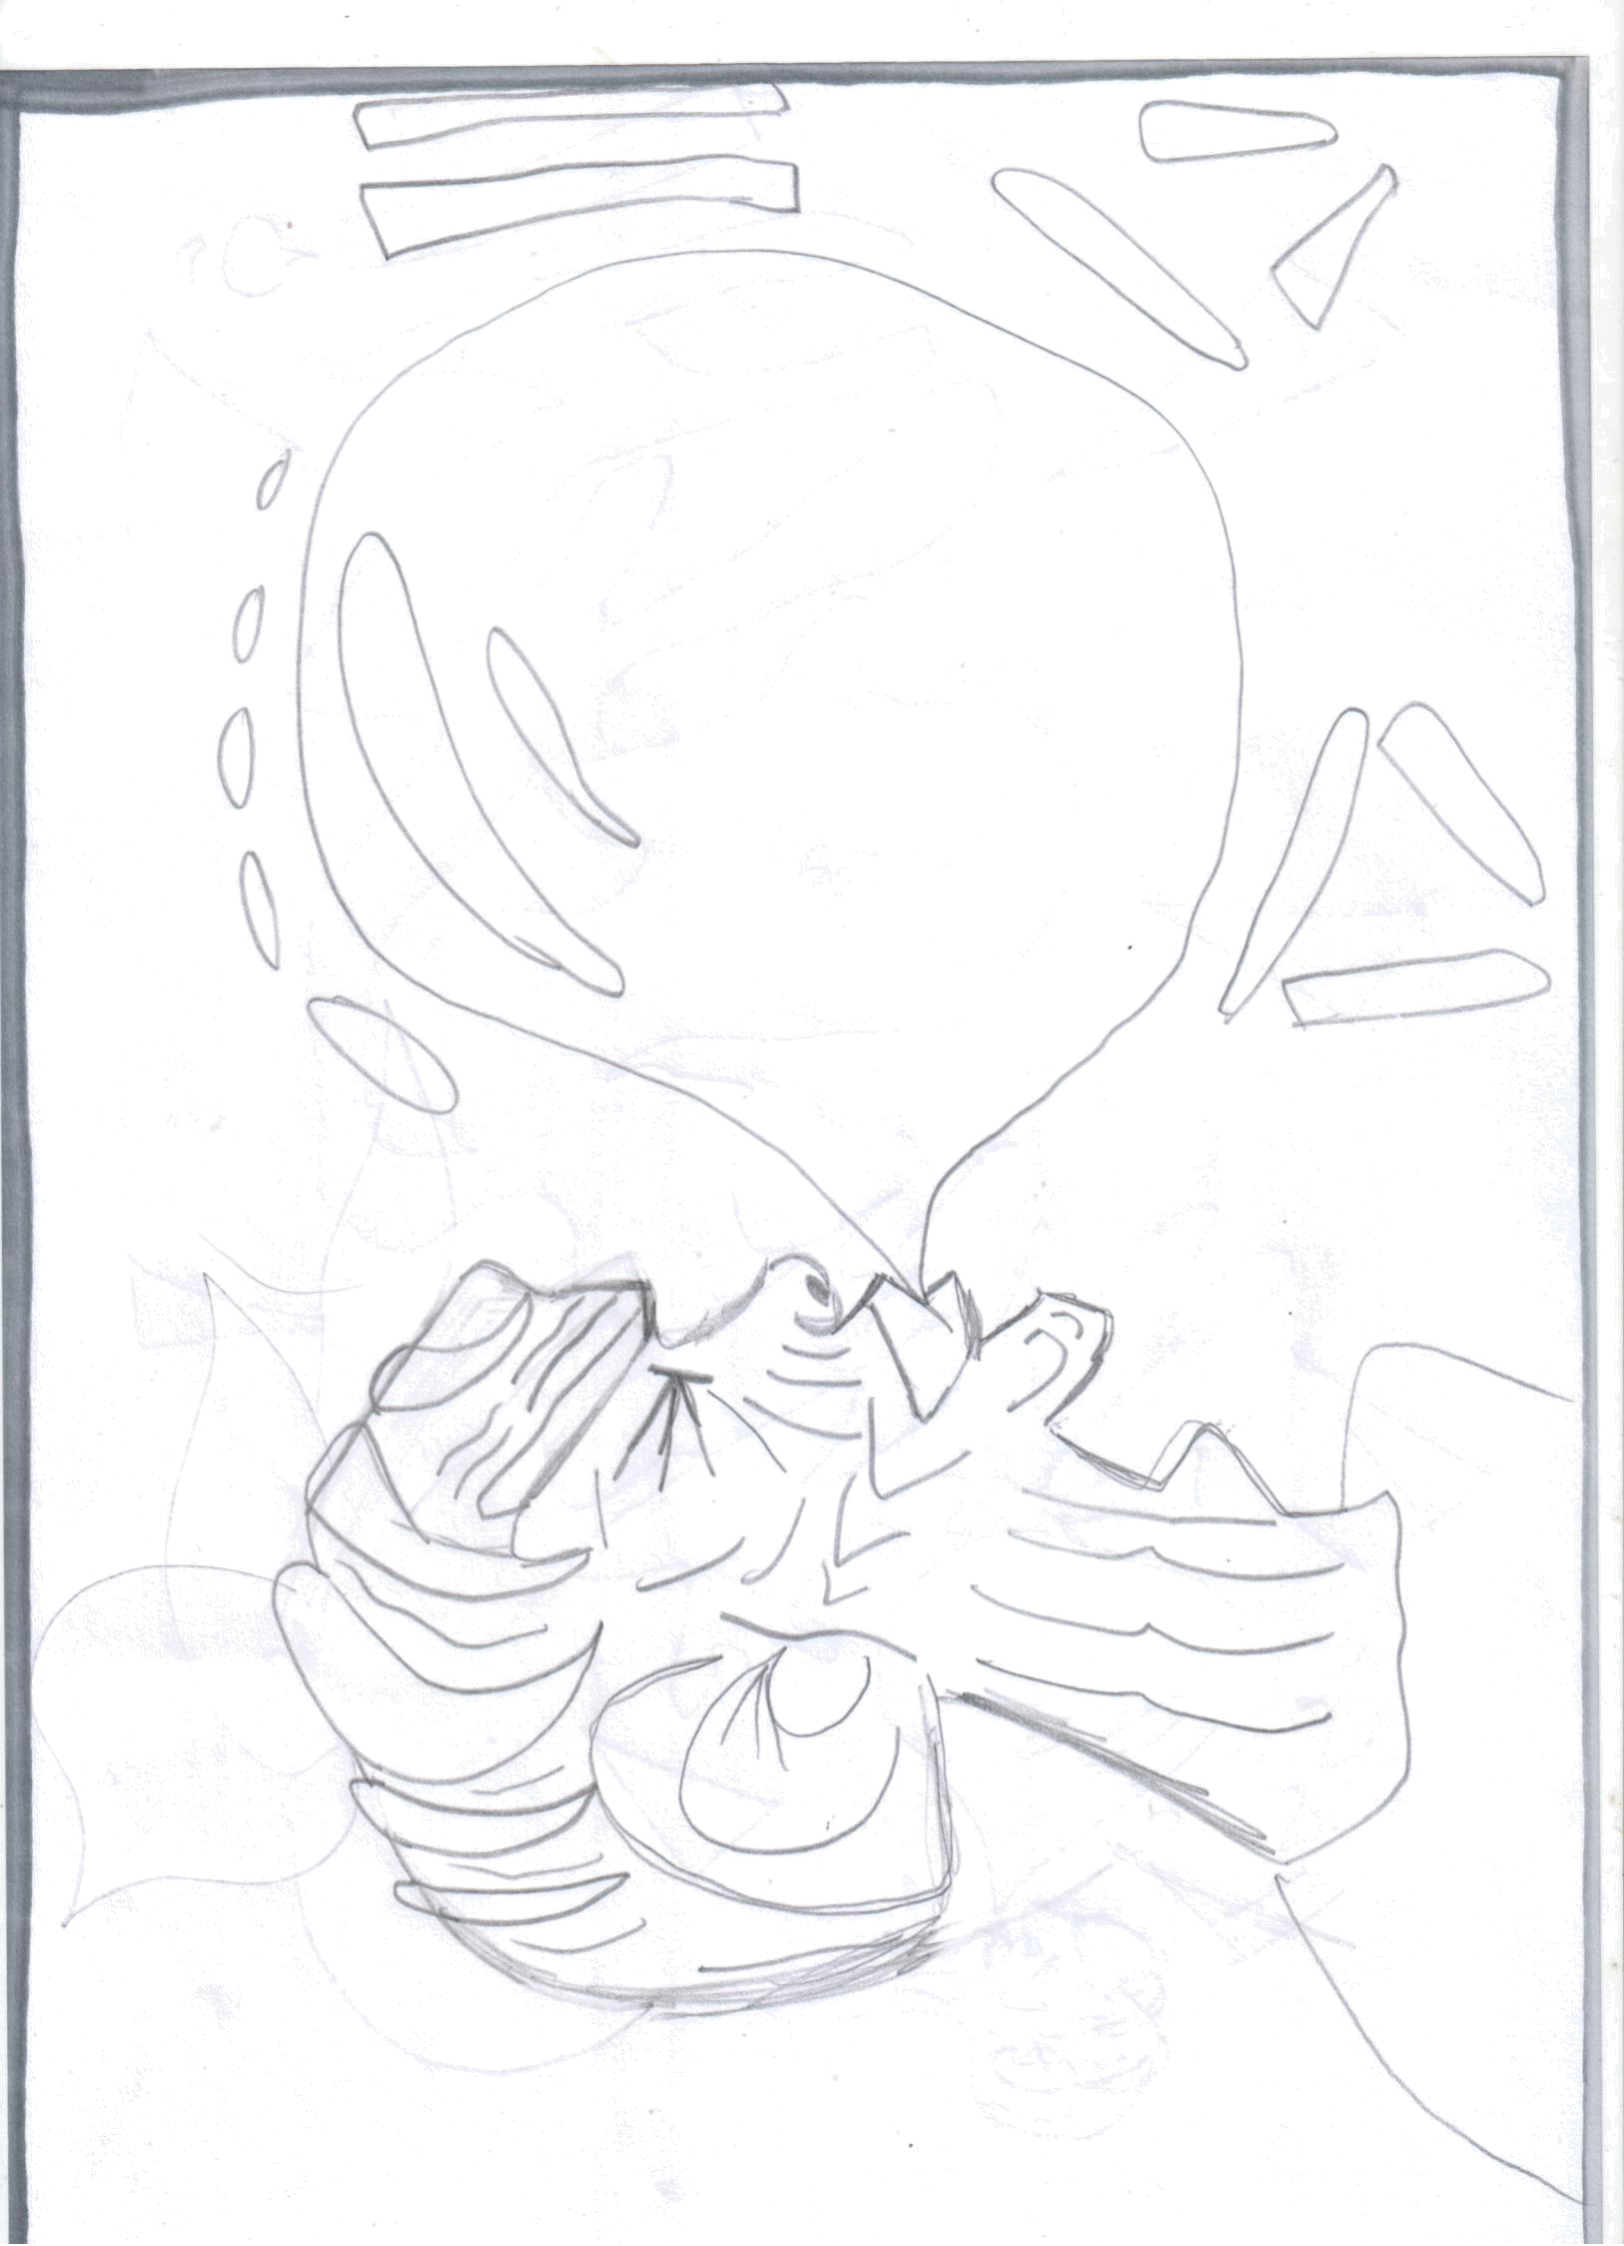

Dagon attacked Salomé by the use of
shit-pistols

Now, the case
Salomé against Dagon

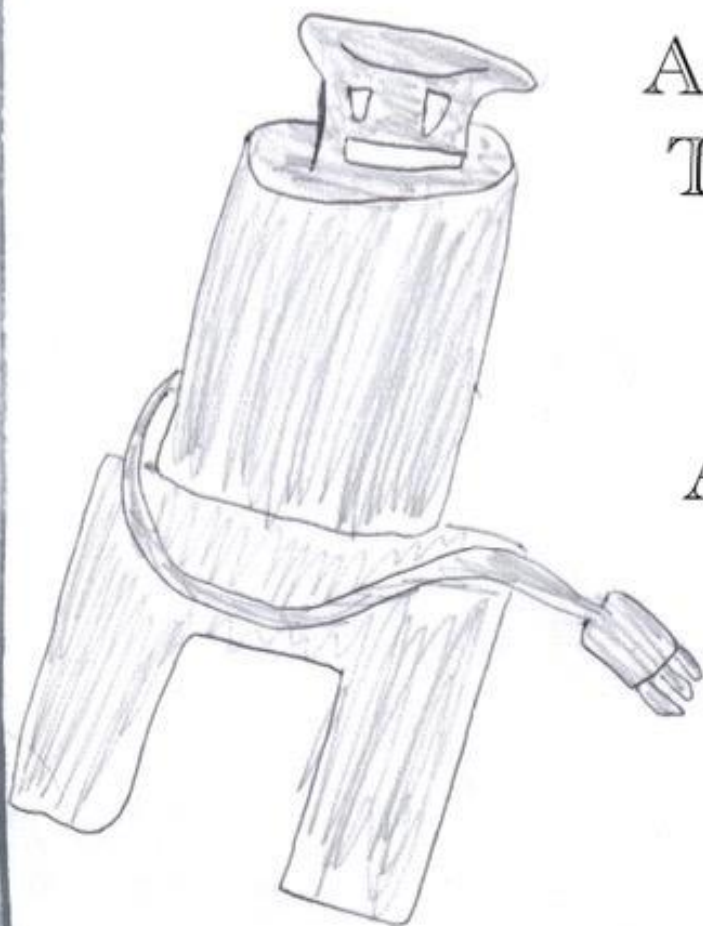

Fuck off
you hackers

Everything go
As it should go...
There aren't big
differences
Between men
And machines

The dinosaurs are conquering
The world again

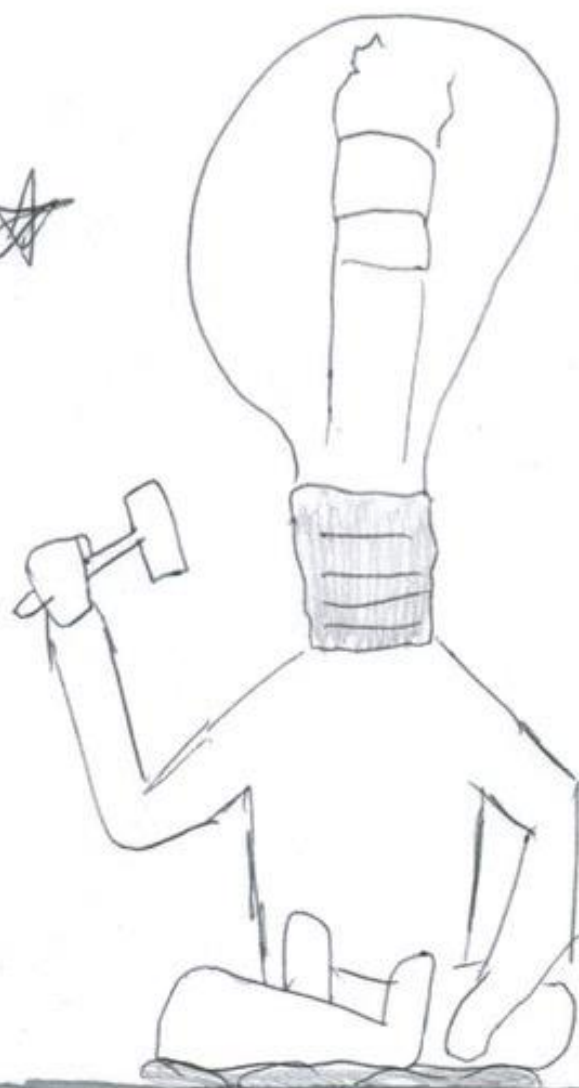

✱ No ✱

✱
Dagon, you
Attempted
The life of
Salomé

✱
We have
proofs

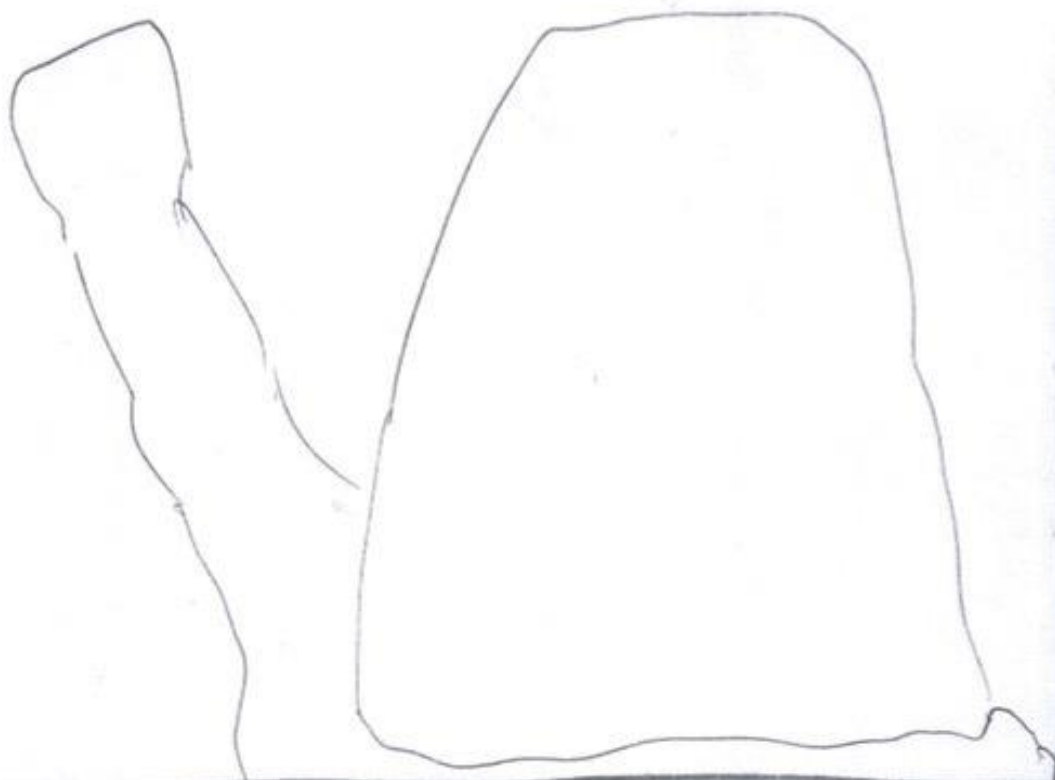

You attacked Salomé by the use
Of shit-pistols

I defended myself

Stay right there

Bich...?

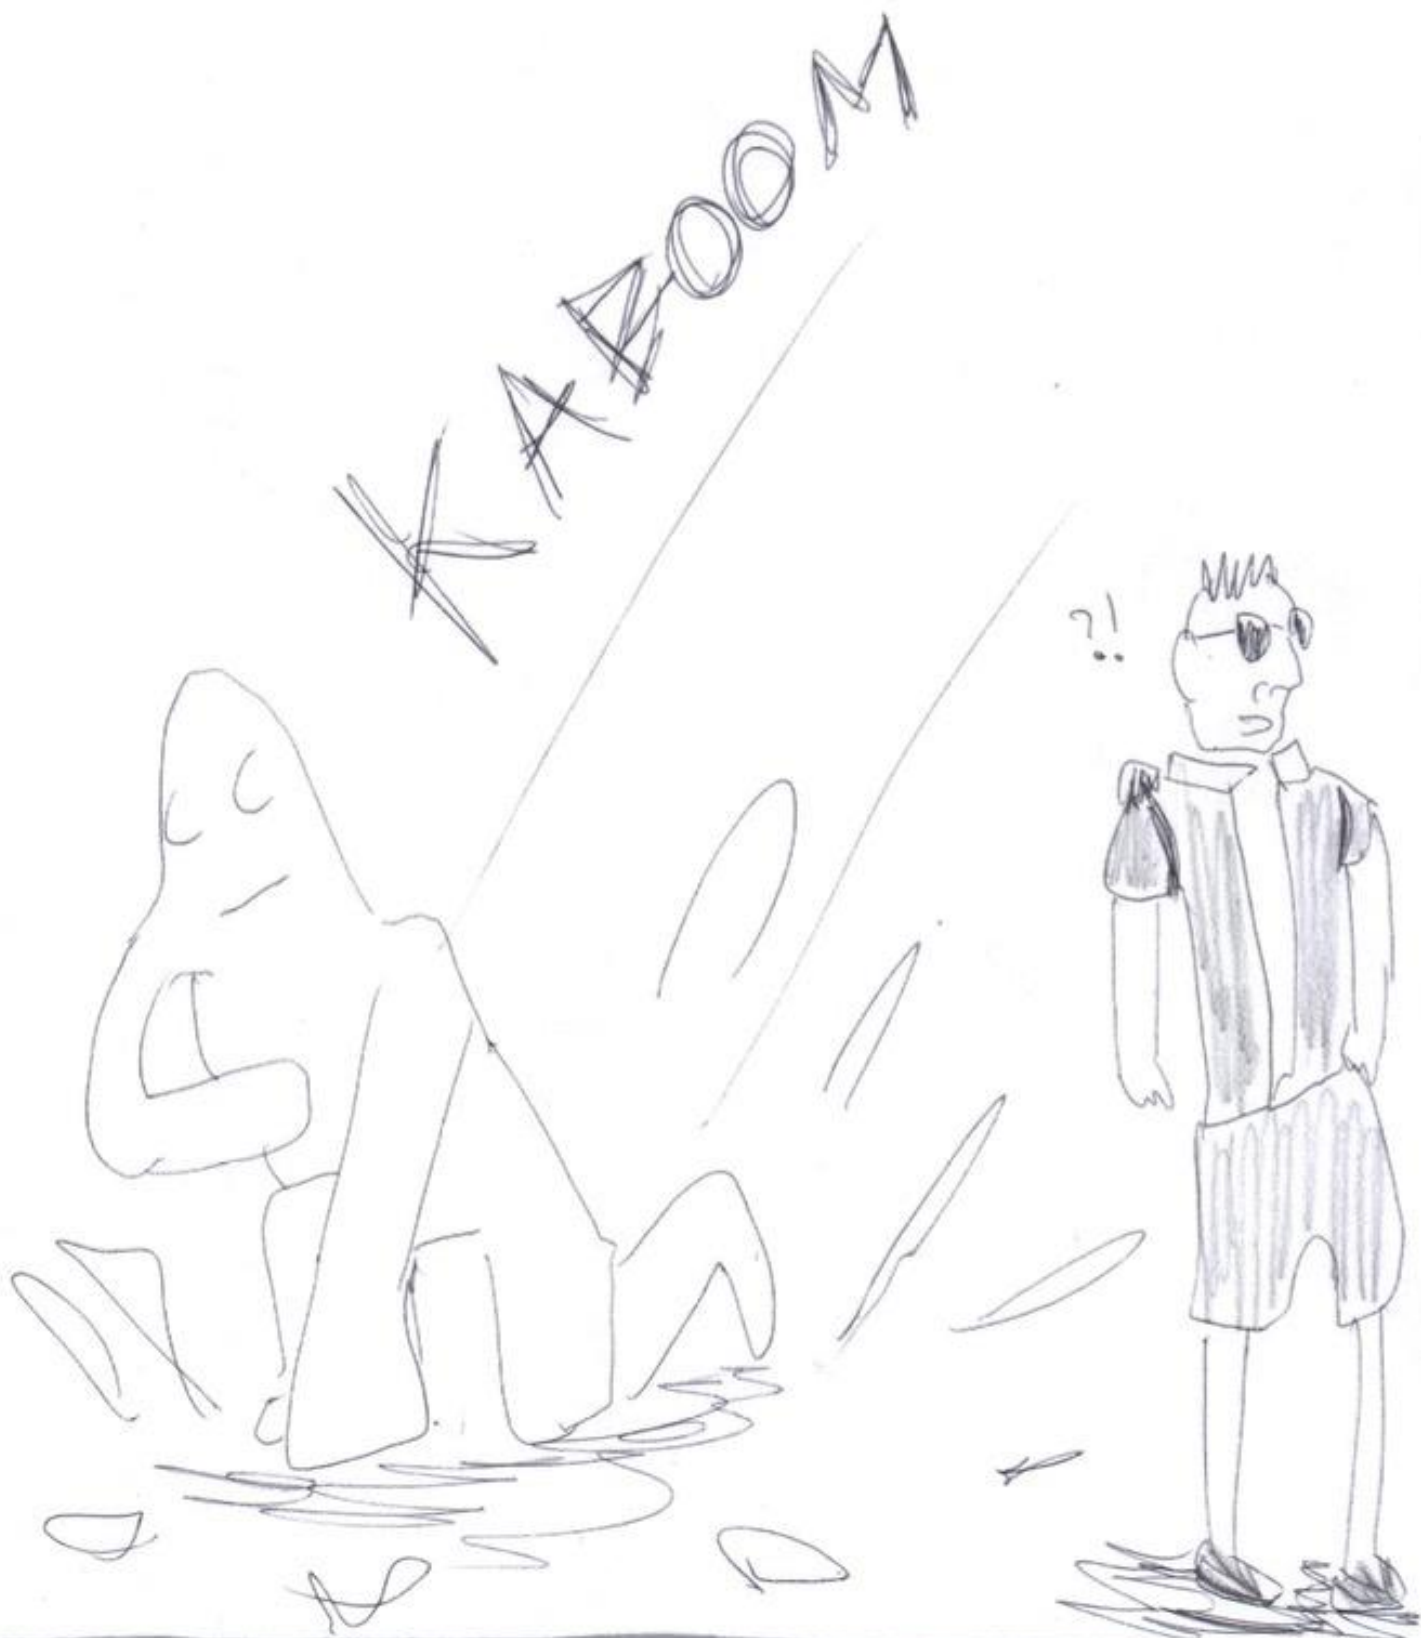

-OH

Conscience is
immortal

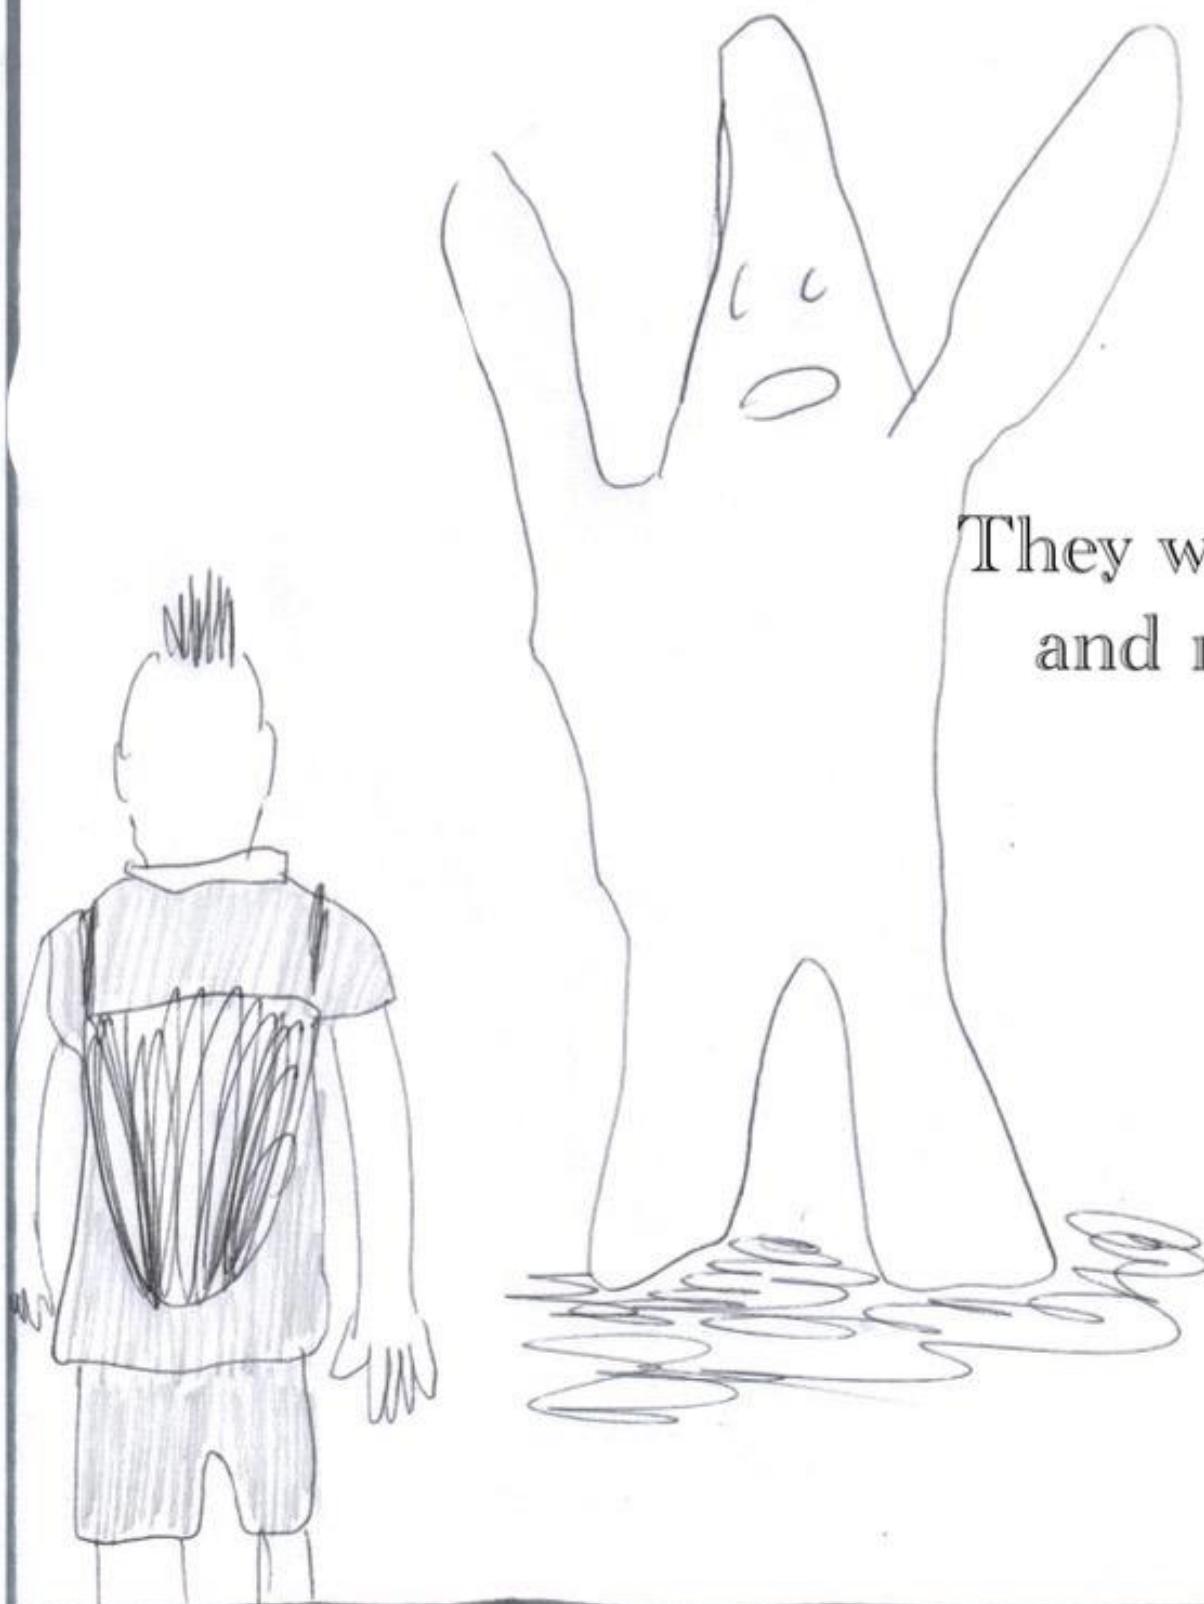

Sorry, it is an exercise
Of biology

They let you think
About stress relax
And transform
You in a slave
While they rule
The world

The universe is
Full of wars and
Cages!

They want lands
and moneys

Sicilian's poetry book sucks

Many psychologists
Believed that the man
Is the cause of his
Own pains

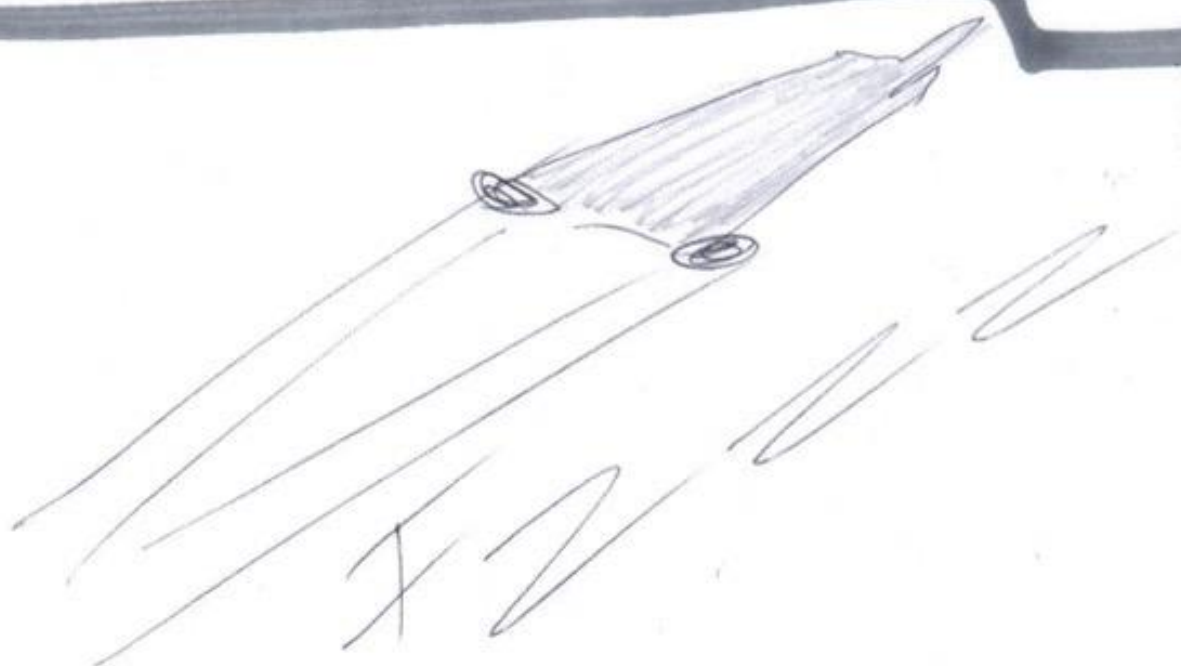

And they are
Accepting it
And nothing
changes

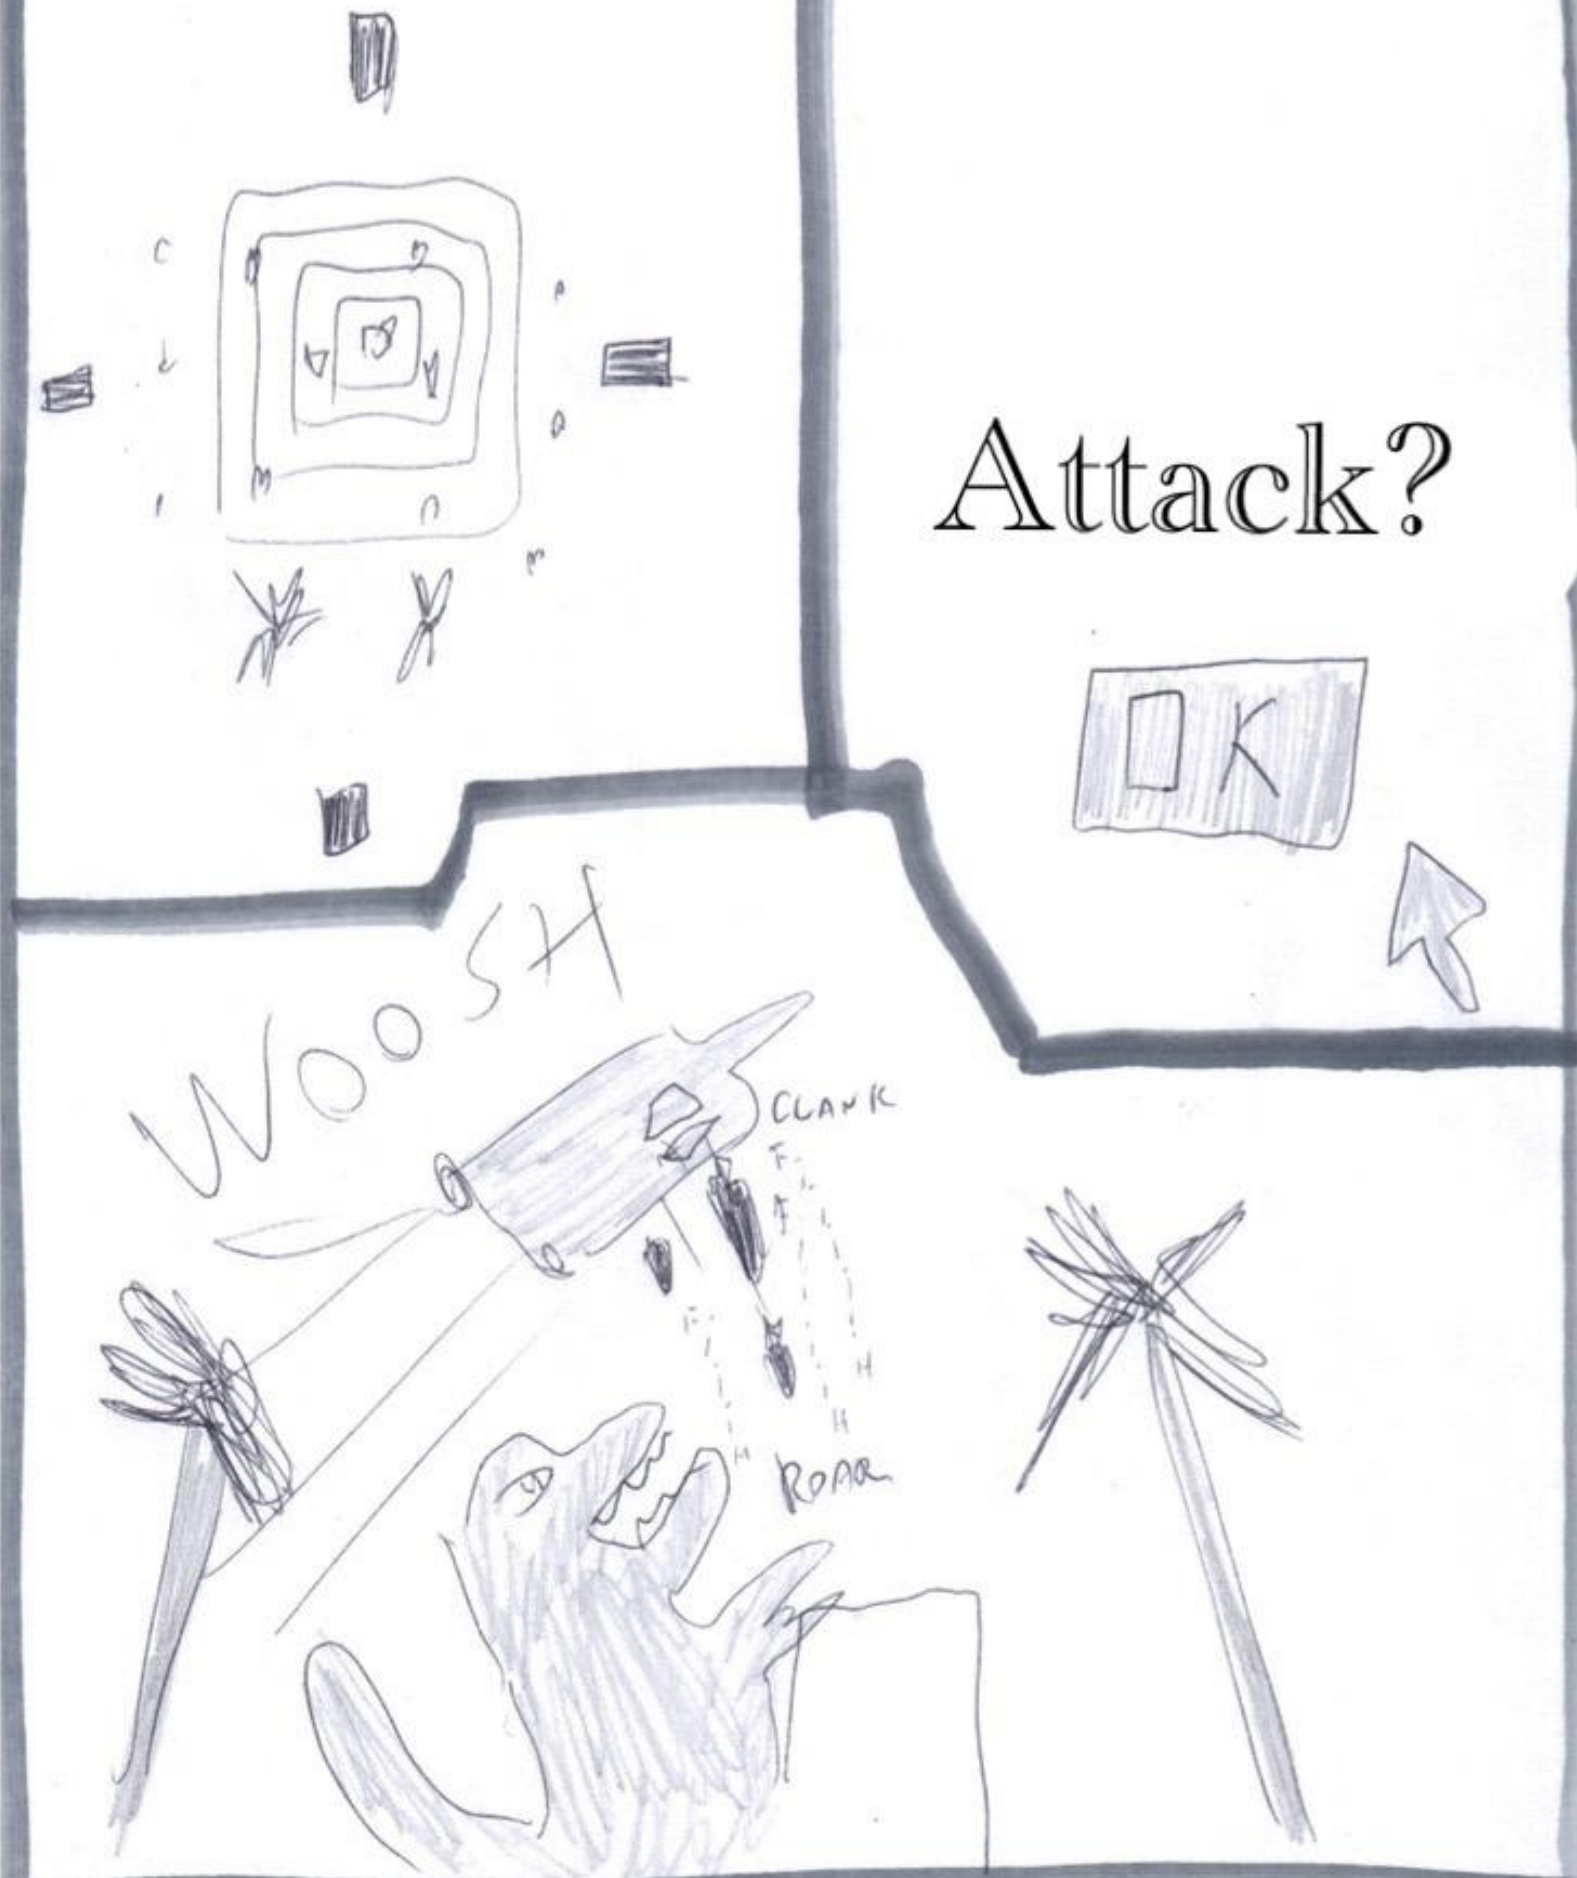

Kill the dinosaurs? Ok

Thanks

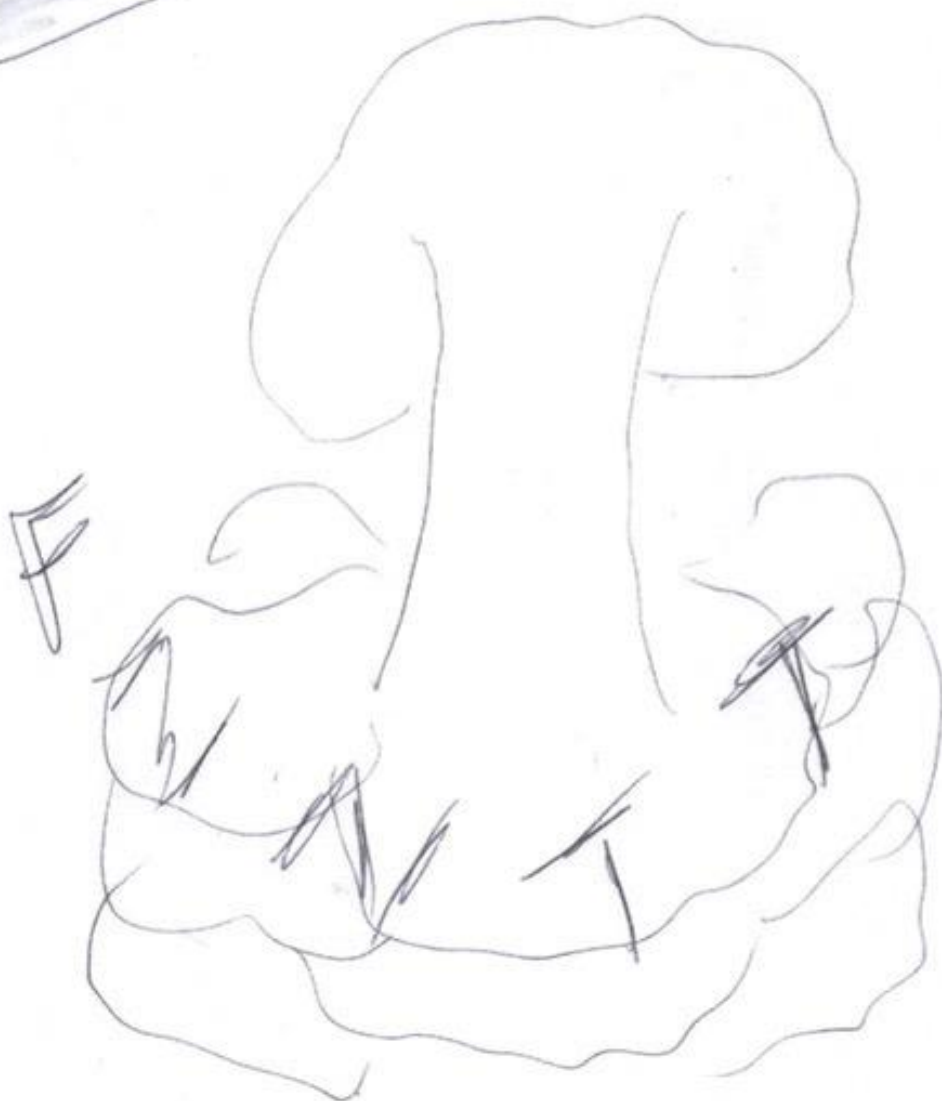

Attack?

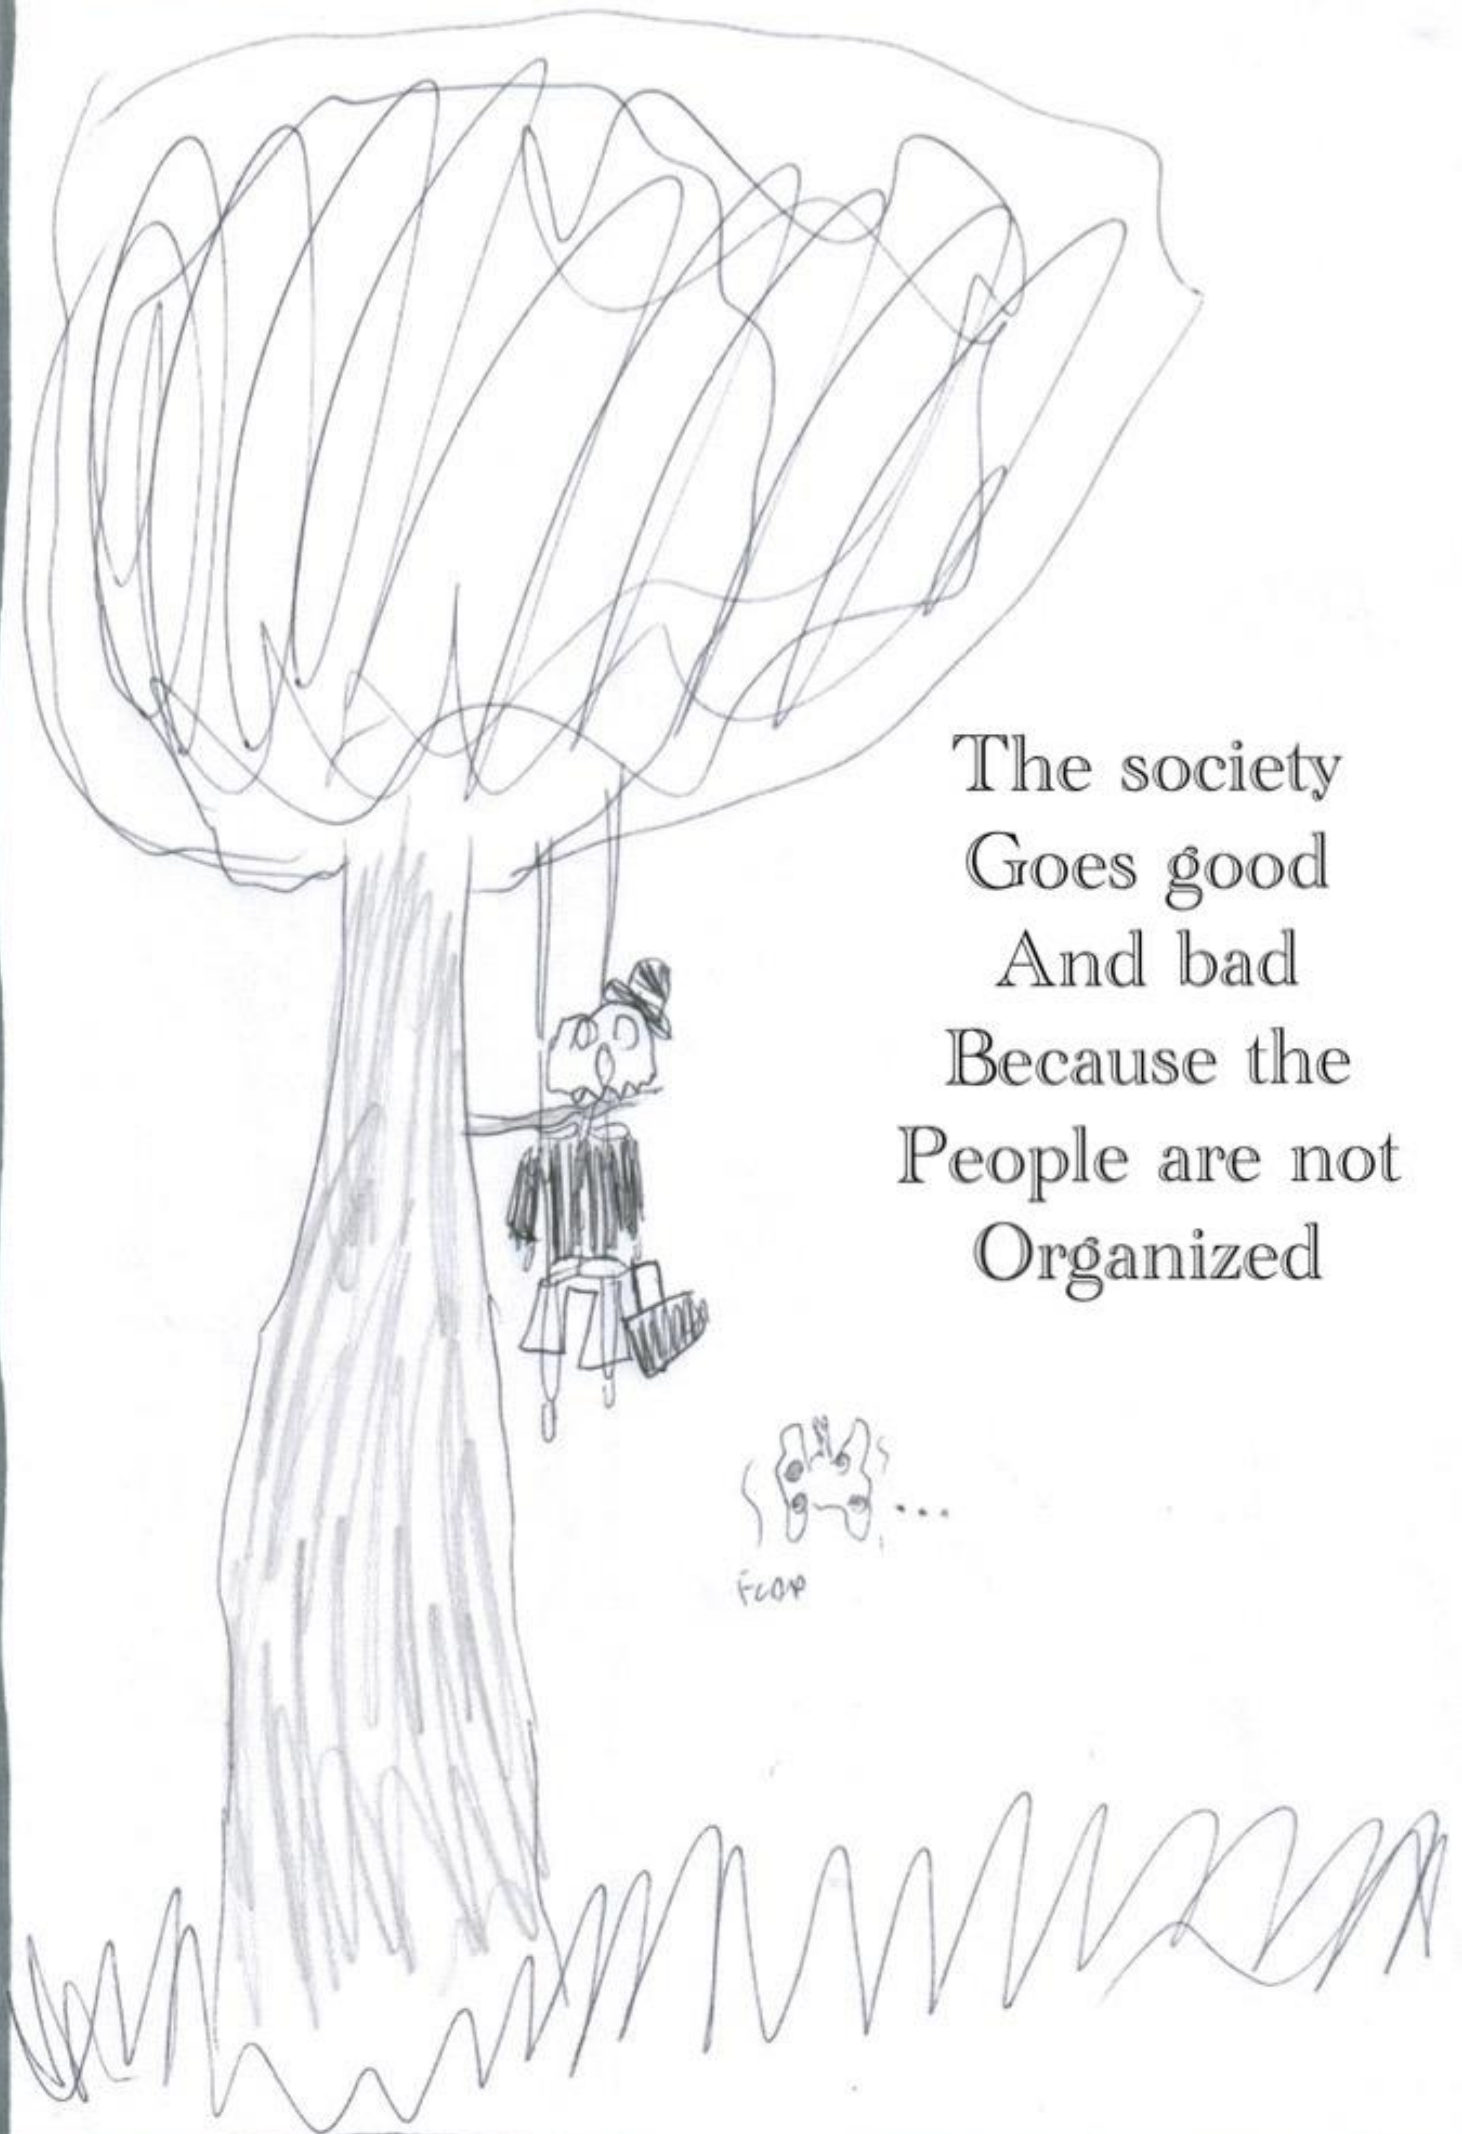

Done it

WOOO SHH
H

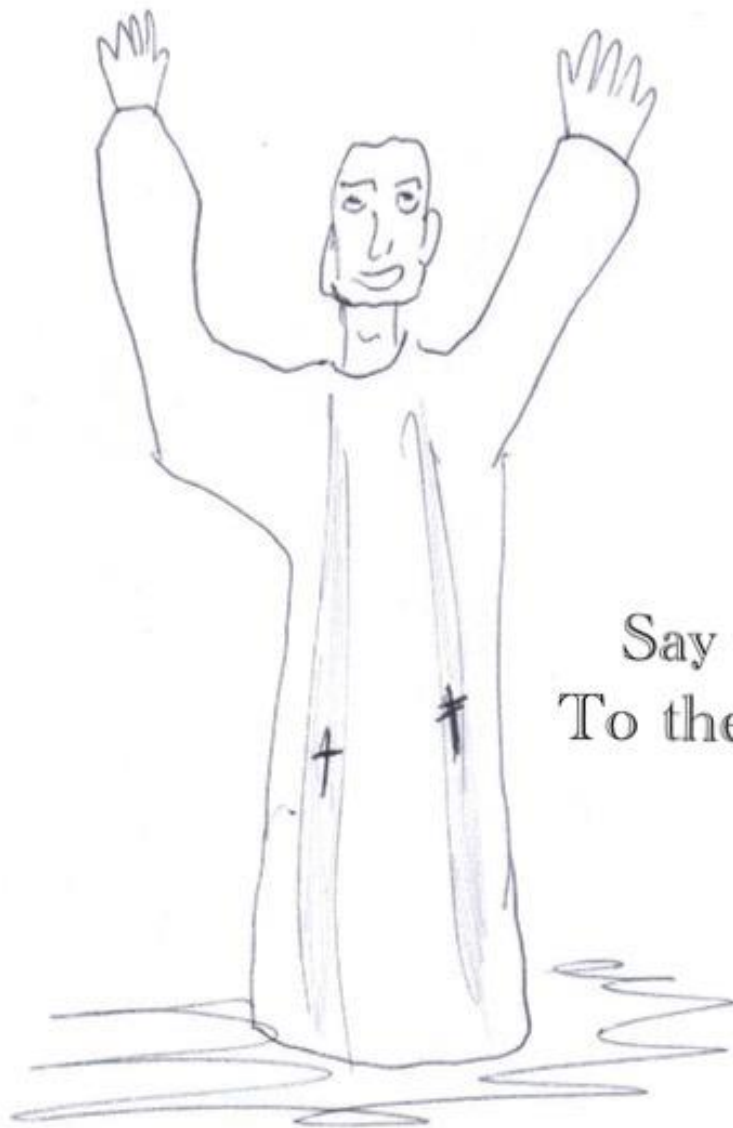

The society
Goes good
And bad
Because the
People are not
Organized

Flop

But if they are, then,
they are dangerous

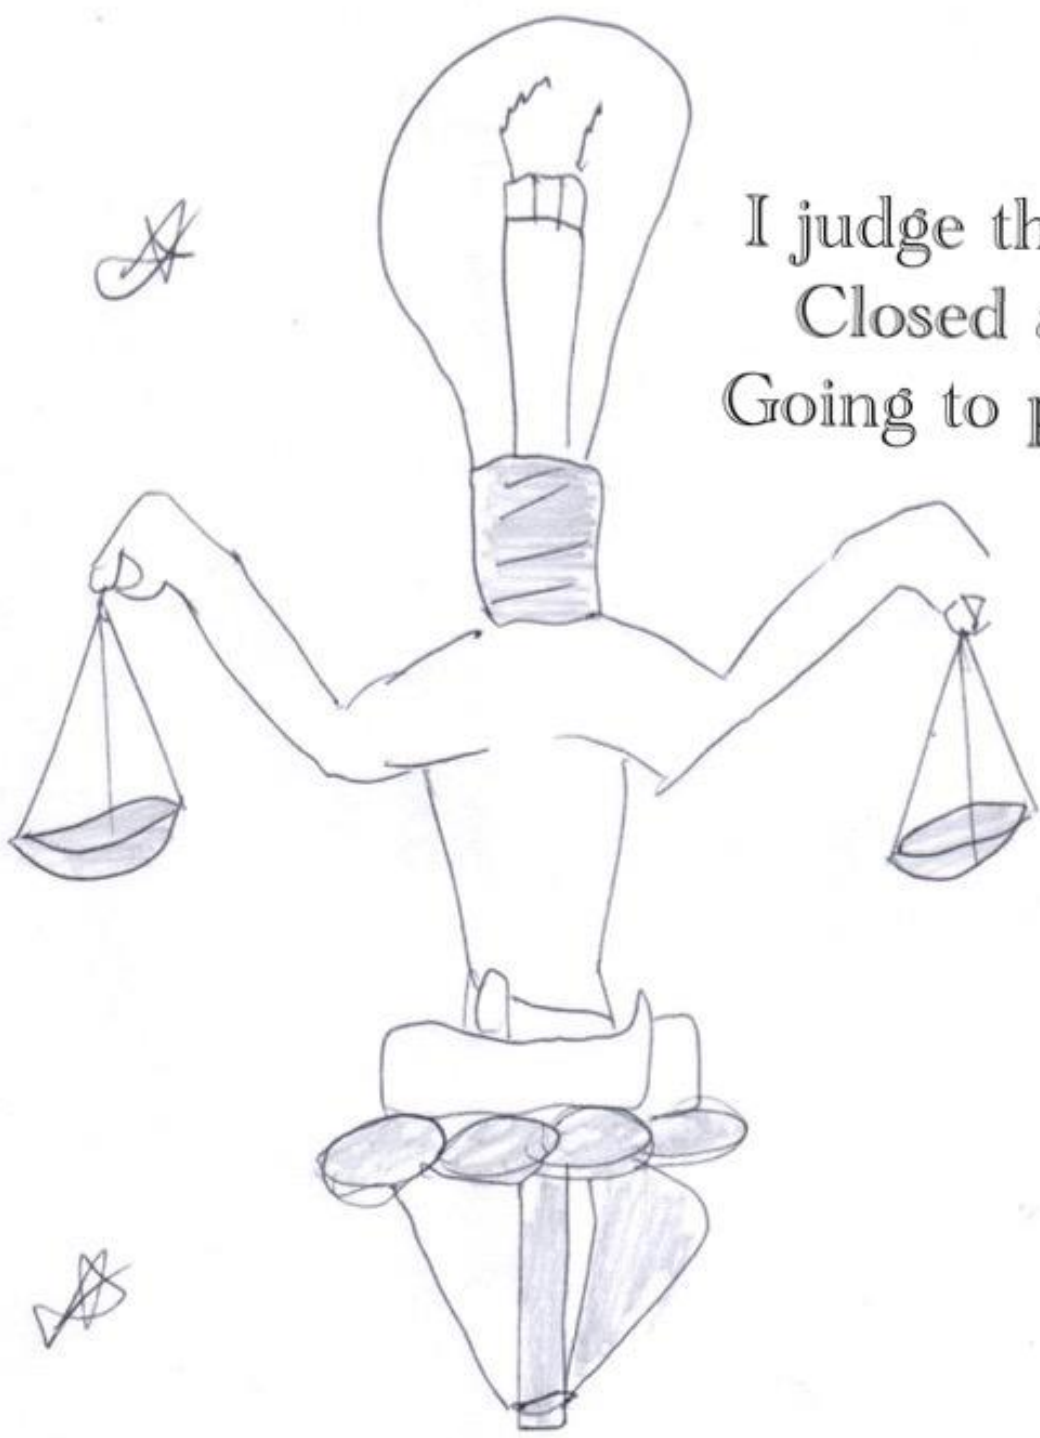

Say thank
To the Lord!!!

I judge this case
Closed as no
Going to proceed

But life continues and
We cannot change it
We have to prove
Our best for the future.

FLOP (兔) / FLOP
